Opposites can make the most delightful pattern... Filled with her trademark humor and relatable characters, award-winning author Jennifer Beckstrand's second installment in the Amish Quiltmaker series finds independent-minded quilter Esther Kiem's matchmaking skills put to the test in her new Colorado community. Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quilter Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness.

WALNECK'S CLASSIC CYCLE TRADER, JULY 1999 Cherry Lake

A faithful reproduction of the 1970 Floyd Clymer publication of the official Honda Factory Workshop Manual specific to the 1962-1969 n10 50cc Sport Cub series of motorcycles. This manual includes all of the data that you would expect from a factory publication for the repair and overhaul of all major and minor mechanical and electrical components. It also includes a comprehensive troubleshooting section plus tables of technical data, tolerances and fits making it an invaluable resource for collectors and restorers of these classic Honda motorcycles. There are 55 illustrations and each procedure is explained in a step-by-step method using an appropriate illustration. The translation from Japanese to English is, at times, a little quirky but the illustrations make up for any difficulty in understanding what needs to be done! There are separate sections that deal with the repair and overhaul procedures for the engine, transmission, wheels and brakes, front forks, frame and carburetor, plus a detailed electrical service section. This is a - must have - reference for any Honda enthusiast and would certainly assist in helping any potential purchaser better understand the inner workings prior to purchasing one of these classic motorcycles. Out-of-print and unavailable for many years, this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction as a service to all Honda enthusiasts worldwide.

Honda CBR F2 and F3 1991-1998

When Jeroen Vogel is invited to join his pub buddy Krijn on a motorcycle adventure through Vietnam, he hops on a boat in Phnom Penh and makes his way to Ho Chi Minh City, where the pair buys two Honda Win motorbikes and set off for an eventful, 3.5 week journey to the capital Hanoi. Being untrained and ill-prepared, they find themselves bribing the police, being ripped off and befriending two Italian backpackers and their beautiful but ultra-economical Russian passenger. After the Italians ditch the Russian girl and decide to continue the journey with the four of them, it becomes clear that being pub buddies is a hell of a lot easier than being travel mates.

Adventure Motorcycling Handbook

For 100 years, the Isle of Man Tourist Trophy races have been the world's most dangerous organized sporting event. As one of thirty thousand fans who attended the annual spectacle, Mark Gardiner harbored no illusions about his own skill or bravery. He was, however, an avid motorcyclist for whom the race represented a boyhood dream. He went home, quit his job, sold everything he owned, and returned to the Island to race there himself. Riding Man is the account of an Everyman, struggling to qualify for -- and survive -- the TT races. If you're a dreamer, the lesson in this book is that the pursuit of any worthwhile goal involves risks, rewards and, almost inevitably some regrets. If you're not a dreamer, the lesson is more important: the deepest regrets are always over risks not taken.

Riding Man
