ThrivEd is a student run, not for profit organisation that writes textbooks on the philosophy of writing textbooks that truly empower students. Our Unit 4 Chemistry textbook is a 224 page textbook that covers: Organic Chemistry and Chemical Synthesis. The proceeds from every two books sold are used to produce and donate a third textbook for a student who would benefit from the same support. The book is structured in five main sections: 1. Bridging the Gap - To create the connections needed to set off on the right foot in Year 12, the 'Bridging the Gap' sections are designed

to provide in-depth teachings of the foundational Year 11 content. 2. Main Content - By extensively working through concepts with no assumptions and teaching with clear explanations, worked examples and real world applications, we hope to make each chapter an exciting, empowering and well-connected experience. 3. Topic Test and Exam Notes - To guide your preparation of personal notes leading up to assessments, sample test and exam notes have been provided to make this process effective and intentional. 4. Progressive, Repetitive and Advanced Questions - Each progressive question is designed to progressively teach each concept, and is paired with multiple repetitive questions, allowing you to stop and practice anything you like. Advanced questions are also there for some extra fun?. 5. Online Answer Guide - With each question comes a three stage answer including: a sample response, points to note about the question and a WACE inspired marking guide, allowing each question to be understood in all its elements. These answer guides are free as a downloadable PDFs. It is with this structure that the Unit is extensively covered and targeted to provide the greatest possible benefits to students.
