New features

MacBook Pro with the M1 Chip. Think of the M1 Chip as an unnecessarily long S-shaped road from your home to your office/school that was unnecessarily long due to the many curves. You would agree that making a straight road from the house to your office (if that were possible) would make the journey considerably shorter, hence saving you time and gas. Similarly, tasks on the M1-powered MacBook Pro consume less time and energy than similar tasks on an Intel-powered MacBook because Apple has removed all the

barriers and unified everything into a single chip. The M1 MacBook Pro is one of the first devices to debut the new Apple M1 chip, and it takes everything good about the Intel(TM) version of the MacBook Pro and makes it even better. The M1 MacBook Pro appears the same as that of the Intel on the outside, but don't be deceived; it has a powerful new processor internally. It can help you complete tasks in considerably shorter periods while using a fraction of the power an Intel-powered version uses. If you thought the Intel

Macs were powerful, the M1 MacBook Pro would make them look slow! Does the M1 MacBook excel at battery efficiency? Absolutely! Will the M1 Chip significantly impact how I interact with a MacBook? Definitely! What are the things the new M1 MacBook Pro can do to help improve my overall computing experience? Read this User Guide to find out! The new M1 MacBook Pro also comes preloaded with macOS Big Sur, the 17th and latest major macOS version from Apple. This guide is perfect for both beginners and old

Mac users. It is a practical guidebook with step-by-step directions to help you take full advantage of all the excellent features Apple has built into the first version of its highly anticipated in-house Chip, the M1. Here's a sneak peek of what you'll learn from this User Guide: Breakdown of what Constitutes the M1 Chip - and how it Turns Your Device into a Powerful Machine at your Service How to Set Up your M1 MacBook Pro from Start to Finish How to Personalize the Touch Bar on the M1 MacBook Pro How to Sync

Your iPhone and iPad with Your Mac All that's new about Safari on macOS Big Sur 14 Helpful Tips for Your New M1 MacBook Pro How to Make Use of the iMovie App on the M1 MacBook Pro Make and Receive Cellphone Calls from Your M1 MacBook Pro Special macOS Big Sur Tips & Tricks And much more! iPhone 12, iPhone Pro, and iPhone Pro Max User Guide

Tektime

Are you looking forward to buy one of the newest iPhones landed this year but you would like to know which of them could be the best for you? Although it

was a bit later than usual, the Apple iPhone 12 series landed in October. The newest iteration of the smartphone series features four new iPhones across a range of prices. As such, Apple has designed its new lineup to reach a wide array of customers with different needs and budgets. The phones are meant to tempt users new and advanced with a bevy of new features. These are some of the most exciting new iPhones we've seen from Apple in years. The headline feature this year, is all phones come with 5G, for improved mobile data download and upload speeds in areas with sufficient 5G antennas. Learn how to use these cutting-edge smartphones at their full potential could be really difficult at the beginning, especially if you're a new iPhone user. "iphone 12, iphone Pro and iphone Pro Max User Guide" will help you to get started, choose the best product for you and use your smartphone at its full potential. Here's what you're going to find inside: • iPhone 11 vs iPhone 12 comparison • What is new in iOS14 • How to manage all the principal apps like Face Time, Safari, Maps and major features like notifications, privacy and sounds • How to use the 6 Apple services • Maintain and protect your phone • Using AirPods with iPhone 12 ...and much more! Scroll up and add to cart "iphone 12, iphone Pro and iphone Pro Max User Guide"! *iPhone 12 Pro User Guide for Seniors* "O'Reilly Media, Inc."

Written in an easy to follow way, with large text and images throughout, **MacBook For Seniors** reveals everything you need to know about the MacBook Air and the MacBook Pro. Using step-by-step guides, you'll learn how to install and use apps, make video calls to loved ones, check your email, plus so much more. Walk into any Apple Store, and you'll quickly notice that there's more than one type of MacBook available. First up is the wedge-shaped MacBook Air, which combines elegant design with an affordable price. Then there's the MacBook Pro, which manages to squeeze incredible power, the innovative Touch Bar, and a 16-inch screen into a portable device. Whichever MacBook you're fortunate enough to own -- don't worry -- because this book covers both of them. Whether you only need to learn the basics, or you want to discover some really advanced tips, **MacBook For Seniors** is here to help. Inside you'll discover: - Everything you need to know about MacBook Air & MacBook Pro- How to set up your Mac- How to use Touch ID and the TrackPad- Detailed app tutorials- How to edit photos- Essential settings and configurations & much more!

iPhone 13 Pro Max User Guide For Seniors Colombo

Publishing Company
Having a book created with this in mind that covers everything seniors need to know about the iPhone 13 to get started is a great asset to have. Which is why this guide is a great book for our older generation who are technically challenged. Seniors should not be denied the opportunity to also enjoy the innovative technology associated with Apple 2021 edition. They should also be able to explore all the features that come with the phone including setting it up,

calling, chatting, taking pictures and Facetime calls. This book does a wonderful job of explaining how to use your iPhone from the minute you get it. It can teach the older generation how to send text messages, add new contacts, make emergency calls, listen to their all-time favorite songs, make video calls, sync their data, utilize Siri, and so much more. This book is for Seniors Who Want To learn to use the iPhone 13 Pro Max But Can't Get Started A Simple Guide for Grandma and

GrandpaMany times, Seniors receive the gift of an iPhone but are not shown how to use it. Although the Apple iPhone 13 from Apple is intended to be intuitive, it can still be very difficult for an average user not less a senior to understand how to use it. The iPhone 13 can be a difficult device to use, especially if you are from an older generation and not into technology which can make our granddads, and grandmas have a hard time setting up their new devices without requesting help. Having a book created with this in mind that covers everything seniors need to know about the iPhone 13 to get started is a great asset to have. Which is why this guide is a great book for our older generation who are technically challenged. Seniors should not be denied the opportunity to also enjoy the innovative technology associated with Apple 2021 edition. They should also be able to explore all the features that come with the phone including setting it up, calling, chatting, taking pictures and Facetime calls. This book does a wonderful job of explaining how to use your iPhone from the minute you get it. It can teach the older generation how to send text messages, add new contacts, make emergency calls, listen to their all-time favorite songs, make video calls, sync their data, utilize Siri, and so much more. Just Imagine Being Able To: learn how to utilize all the functions and operations that the phone offers use a well-formatted book to help seniors like you use your phone learn about

the latest updates, improvements, and changes on the new iPhone 13 pass a message across with its large prints with fewer strains on the eyes teach seniors despite their low-tech knowledge in a language simple to understand... And that's just for starters! Not Only That but Also: the book uses practical examples in explaining how to get the most out of your iPhone 13 a user-friendly guide for anyone with even third-grade education to follow show you how to keep in touch despite

aging eyesight and hearing learn more new phone tricks to keep up with the kids and grandkids large printing format suitable for those with eye sight issues So, 13 Pro exclusive feature if you are one of those people worried about how to set up their new device, this guide can be useful to beginners and even those switching from Android to iPhone. You can also learn to use the GPS feature to search for places on maps. This book also covers: How to search for a place on maps How to send a text message to old and new
