Mustang 1964 1/2-1973 Restoration Guide Complete Book Series
Of all the legendary names in the history of the Ford Mustang, one stands apart: BOSS. Originally created to homologate the new Boss 302 engine and option package for SCCA Trans-Am racing, the Mustang Boss 302 debuted for the 1969 model year and was built in limited numbers for the street through 1970. Designed by the legendary Larry Shinoda, the Boss cars were easily distinguished from their less potent stablemates by their race-bred powerplant, standard front spoiler, and bold graphics. In 2012, Ford at long last revived this most revered of all Mustang models. With a new racing counterpart and a modern street version that delivers more than 440 horsepower, the Boss was truly back! In Mustang Boss 302, to mark this historic occasion, Mustang historian Donald Farr offers a complete history of the car--from its late 1960s origins in Ford's boardrooms through its Trans-Am successes and untimely demise in 1970, up to the conception and development of the spectacular new 2012 and 2013 Mustang Boss 302. Packed with brilliant photography and firsthand accounts from the people who created the original Boss, as well as the team that resurrected Ford's most iconic Mustang, this is the story every Mustang enthusiast has been waiting to read.

Cars & Parts Motorbooks International
1979-2004 Mustangs are some of the most popular and affordable performance cars available. With a huge aftermarket supplying everything from body panels to crate engines to suspension and handling mods, a motivated enthusiast can easily create the street machine of their dreams. Illustrated Mustang Buyer's Guide Crescent
The photos in this edition are black and white. Before the introduction of the 05+ models, 1994-'04 Mustangs represented a high-water mark for late- model Mustang enthusiasts. From the '94-'95s with the 5.0L, through the '96-'04 models with the 2- and 4-valve 4.6Ls, to the Bullitt, Mach 1, and factory supercharged '03-'04 Cobras - never before has such a range of highly modifiable performance cars been available. These Mustangs were great performers straight from the factory, but they can be even better with the right combination of performance parts. Regardless of which '94-'04 Mustang you start with, the availability of high- performance parts is impressive. You can build your Mustang for drag racing, road racing, or improved street performance - and High-Performance Mustang Builder's Guide 1994-2004 will show you how! Author Sean Hyland uses over 300 photos to explain how to upgrade your Mustang's engine, suspension, chassis, transmission, rear end, brakes, and body. There's even a special chapter on getting active in various forms of organized racing.

Mustang How to a Money Saving Guide for Do-It-Yourself Mustang Owners Motorbooks
The Complete Book of Ford Mustang, 4th Edition details the development, technical specifications, and history of America's original pony car, now updated to cover cars through

the 2021 model year.
Illustrated High Performance Mustang Buyer's Guide CarTech Inc
The Mustang GT/CS Recognition Guide & Owner's Manual by Paul M. Newitt and licensed by Ford is a hardbound, full color 224 page detailed story of the limited-edition 1968 Ford Mustang--which was created just for California. The story of how the California-Crazy car culture in the 1960s prompted the marketing of Mustang's first factory-produced special edition is described in incredible detail - from the inspiration of Shelby's "Little Red" coupe to the development by Ford Design to become 4,118 GT/California Specials. The story continues with the marketing plan by J.Walter Thompson and California's Ford Dealer's Association to bring this Mustang to market in the spring of 1968. A detailed account of the GT/CS variant, the "High Country Special," sold in the Denver sales district is also included. Detailed production statistics, rare factory photos, authentication, options, accessories, specific part descriptions and comprehensive Concours restoration information are covered, along with the complete stories of the Shelby prototype coupes "Little Red," and the EXP-500 "Green Hornet." A separate chapter is devoted to the development, prototypes and production of the 2007-09 and 2011 GT/CS, and a complete GT/CS Owner Registry of 1,300 cars with photos rounds out the volume. Each book is beautifully bound, signed and numbered. A very special, limited edition for Mustang collectors!

Mustang Field Guide Paul M. Newitt Designs
This ultimate book of knowledge on Ford's famous pony car has been updated to include all models through 1973. A technical reference source for an authentic restoration, judging parts and options originality, and deciphering serial numbers and data plate codes. Ford Mustang Faxon Auto Literature
Celebrate 25 years of the original pony car with this highly illustrative and detailed history of the Ford Mustang. Ranges from the days when Lee Iacocca developed the new car to the sporty models of today. All the models are presented in full-color spreads with expert text and commentary.

Ford Mustang - First Generation 1964 to 1973 Independently Published
Narrates and illustrates the history of the Ford Mustang from 1964-1992.
The Mustangs, 1964-1973 Publications International
In the early 1960s, Lee Iacocca-- then director of the Ford division at Ford Motor Company-- convinced Henry Ford II to produce a sporty four-seat car aimed at the emerging youth market. That car, essentially a reconfigured and re-skinned Falcon economy car, became the Ford Mustang, and it changed the automotive world like no other car before or since. In Mustang: Fifty Years, acclaimed Mustang writer Donald Farr celebrates this unbroken lineage of muscle: its phenomenal first-year sales, the new "pony car" genre it pioneered, and subsequent models that include the Mustang GT, Shelby GT350, Shelby GT500, Super Cobra Jet, Boss 302 and Boss 429-- all part of a line of American performance cars that continues on to this day. With 400 photos of the USA's iconic sports car and released in tandem with the Mustang's 50th anniversary, Mustang: Fifty Years is a must on the bookshelf of any gearhead or Ford aficionado.
