Auto Repair For Dummies, 2nd Edition (9781119543619) was

previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach,

CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Most people don't start thinking about retirement until they hit 40, 50 or beyond. But what if making some simple changes in the way we live today gave us the opportunity to retire earlier and more fearlessly than we expect? Even better, what if a way existed to start enjoying life with more peace of mind, happiness and freedom right now? If you're worried about your future and are tired of the rat race that seems to lead nowhere, then rightsizing might be the best way for you to reimagine your life--starting today! What is rightsizing? Rightsizing is the conscious choice to reinvent a lifestyle that more closely fits you and your family in the best possible manner at every stage of life. Rightsizing provides the freedom to let go of the daily grind of just getting by day-in and day-out. So instead of

constantly striving toward more and more stuff and trying to keep up with the neighbors, rightsizing avoids unsustainable debt, stress, addiction and competition and allows us to recreate life with meaning and purpose. Rightsizing helps us each design a life that lets us spend our time and resources on whatever is most important to us. And best of all, rightsizing is about discovering what gives our life meaning, makes us smile, and allows us to sleep well and deeply every single night. If you don't have that now, maybe it's time to rightsize your life. Rightsizing-A SMART Living 365 Guide to Reinventing Retirement is a collection of blog posts written by Kathy Gottberg on her blog SMART Living 365.com. These articles address some of her best ideas about the topic and reveal how each of us can discover our own unique version of a life focused on what truly matters.
