A Practical, Month by Month Survival Guide For The Average Joe Suppose You Wake Up to Find There's No Electricity, No Information Grid, and There's No End in

Sight. Will You Survive? If You're Worried About How You and Your Family Will Survive in a Natural Disaster, Terrorist Attack, or Economic Collapse.... How can the 12 Month Prepper & Survivalist Playbook Help You? Many survival guides expect you to put everything together, but they don't spell out exactly what you need to do and how to do it in small steps. With the 12 Month Prepper & Survivalist Playbook, you'll get a step by step plan for survival preparation. If you follow everything in the playbook to the letter, you'll have most of what you need for a short crisis or a long-term survival situation. You'll get specific instructions about what to purchase or collect, how much of it to store, and how to store it. With the 12 Month Prepper & Survivalist Playbook, you're going to learn to change your mindset from one of panic and procrastination to one of strategy and preparation. Each month you'll work on specific goals to motivate you and create an attitude of self-reliance. When you turn on the news you'll feel more at peace knowing that you're doing exactly what you need to do for your own safety and survival. Be Ready for Any Situation that Comes Your Way The latest concerns about global disaster come not from bombs that physically destroy property, but from Electromagnetic Pulse weapons, or EMPs, that can knock out the electrical and information grid permanently. But that's not the only thing you need to prepare for. In the 12 Month Prepper & Survivalist Playbook, you'll:

- Learn how to determine what's the most likely disaster to occur in your area!
- Discover how you can create a shelter in place during a chemical accident or attack!
- Get educated about how you can handle a period of long-term economic crisis or unemployment!
- Get the knowledge you need to create disaster plans and drills for your family!
- Find out what disasters might be lurking in your home and what you need to do reverse any problems!
- Calculate what your family needs to survive for a period of 3 days to a year without electricity, gas, or running water!
- Get a step-by-step plan to prepare rather than trying to do everything at once!
- Learn the benefits of learning to garden and preserve your own food!
- Discover how to protect you and your family members from a disease epidemic!
- Get information on how to secure your home and keep it protected when the grid goes down!
- Find out which skills you need to develop to improve your chances of survival!
