Wiring Diagrams for 88, 110, 125 and 140cc engine

I have drawn many stock wiring diagrams, Lifan wiring diagrams and stockers repowered and rewired with Lifans. I have read through the forums, but each engine it seems is unique to itself. Some are using Lifan 140's, others, 110's and a few are using the 125's, but not all the engines are created equal. Some have different stators, etc.
