The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." — Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

A memoir about the recovery from alcoholism, habitual drug use and mental illness, from broadcaster, and co-founder and editor of The Quietus website, John Doran. Jolly Lad is a memoir about the recovery from alcoholism, habitual drug use and mental illness. It is also about the healing power of music, how memory defines us, the redemption offered by fatherhood and what it means to be working class. " This is not a 'my drink and drug hell' kind of book for several reasons—the main one being that I had, for the most part, had a really good time drinking. True,

a handful of pretty appalling things have happened to me and some people that I know or used to know over the years. But I have, for the most part, left them out of this book as they are not illuminating, not edifying and in some cases concern other people who aren't here to consent to their appearance. Instead this book concentrates on what you face after the drink and the drugs have gone. ” Jolly Lad is about gentrification; being diagnosed bipolar; attending Alcoholics Anonymous; living in a block of flats on a housing estate in London; the psychological damage done by psychedelic drugs; depression; DJing; factory work; friendship; growing old; hallucinations; street violence and obsessive behaviour—especially regarding music and art.
