This book encompasses the  
proceedings of a very successful  
post graduate course entitled  
"Radiology Today" held in  
Salzburg in June 1980. It was  
organised by Dr. Martin W.  
Donner of Baltimore and Dr. F.  
H. W. Heuck of Stuttgart. It  
was attended by 230  
radiologists from 17 countries.  
The aim was to select a certain  
number of subjects in  
diagnostic radiology and in  
each to have a broad spectrum  
overview reviewing recent  
advances presented by an  
acknowledged expert, followed  
by a series of rather more  
detailed papers on various

aspects of that field, again given  
by acknowledged experts drawn  
from countries throughout  
Europe and also from the  
United States of America. This  
series of presentations on a  
theme was then followed later  
the same day by a "workshop"  
discussion at which the  
speakers, sometimes joined by  
other experts from collateral  
fields of interest, acted as a  
panel for discussion with the  
over-view speaker acting as  
moderator.
