The subsequent trial taps straight into America ' s most pressing preoccupations: race, class, sex, law enforcement, and the lurid sins of the rich and famous. It ' s an open-and-shut case for the prosecution, and a quick conviction seems all but guaranteed—until Maya Seale, a young woman on the jury, convinced of Nock ' s innocence, persuades the rest of the jurors to return the verdict of not guilty, a controversial decision that will change all their lives forever. Flash forward ten years. A true-crime docuseries reassembles the jury, with particular focus on Maya, now a defense attorney herself. When one of the jurors is found dead in Maya ' s hotel room, all evidence points to her as the killer. Now, she must prove her own innocence—by getting to the bottom of a case that is far from closed.
