Blind the Eyes Feiwel & Friends

New York Times bestselling author Maureen Johnson's funny, heartbreaking, and utterly romantic tale gets a great new cover! Ginny Blackstone never thought she'd spend her summer vacation backpacking across Europe. But that was before she received the first little blue envelope from Aunt Peg. This letter was different from Peg's usual letters for two reasons: 1. Peg had been dead for three months. 2. The letter included \$1000 cash for a passport and a plane ticket. Armed with instructions for how to retrieve twelve other letters Peg wrote—twelve letters that tell Ginny where she needs to go and what she needs to do when she gets there—Ginny quickly finds herself swept away in her first real adventure.

Traveling from London to Edinburgh to Amsterdam and beyond, Ginny begins to uncover stories from her aunt's past and discover who Peg really was. But the most surprising thing Ginny learns isn't about Peg . . . it's about herself. Everything about Ginny will change this summer, and it's all because of the 13 little blue envelopes. Look for the sequel, *The Last Little Blue Envelope!*

Amateur sleuth Stevie Bell needs a good murder. After catching a killer at her high school, she's back at home for a normal (that means boring) summer. But then she gets a message from the owner of Sunny Pines, formerly known as Camp Wonder Falls—the site of the notorious unsolved case, the Box in the Woods Murders. Back in 1978, four camp counselors were killed in the woods outside of the town of Barlow Corners, their bodies left in a gruesome display. The new owner offers Stevie an invitation: Come to the camp and help him work on a true crime podcast about the case. Stevie agrees, as long as she can bring along her friends from Ellingham Academy. Nothing sounds better than a summer spent together, investigating old murders. But something evil still lurks in Barlow Corners. When Stevie opens the lid on this long-dormant case, she gets much more than she bargained for. The Box in the Woods will make room for more victims.

The Starboard Sea Harper Collins New York Times and USA Today bestseller! New York Times bestselling author Maureen Johnson delivers the witty and pulse-pounding conclusion to the Truly Devious series as Stevie Bell solves the mystery that has haunted Ellingham Academy for over 75 years. Ellingham Academy must be cursed. Three people are now dead. One, a victim of either a prank gone wrong or a murder. Another, dead by misadventure. And now, an accident in Burlington has claimed another life. All three in the wrong place at the wrong time. All at the exact moment of Stevie's greatest triumph . . . She knows who Truly Devious is. She's solved it. The greatest case of the century. At least, she thinks she

has. With this latest tragedy, it's hard to concentrate on the past. Not only has someone died in town, but David disappeared of his own free will and is up to something. Stevie is sure that somehow—somehow—all these things connect. The three deaths in the present. The deaths in the past. The missing Alice Ellingham and the missing David Eastman. Somewhere in this place of riddles and puzzles there must be answers. Then another accident occurs as a massive storm heads toward Vermont. This is too much for the parents and administrators. Ellingham Academy is evacuated. Obviously, it's time for Stevie to do something stupid. It's time to stay on the mountain and face the storm—and a murderer. In the tantalizing finale to the Truly Devious trilogy, New York Times bestselling author Maureen Johnson expertly tangles her dual narrative threads and ignites an explosive end for all who've walked through Ellingham Academy. NEW YORK TIMES BESTSELLER • OPRAH 'S BOOK CLUB PICK • Pulitzer Prize winner Elizabeth Strout continues the life of her beloved Olive Kitteridge, a character who has captured the imaginations of millions. " Strout managed to make me love this strange woman I 'd never met, who I knew nothing about. What a terrific writer she is. " —Zadie Smith, The Guardian " Just as wonderful as the original . . . Olive, Again poignantly reminds us that empathy, a requirement for love, helps make life ' not unhappy. ' " —NPR NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY PEOPLE AND ONE OF THE BEST BOOKS OF THE YEAR BY Time • Vogue • NPR • The Washington Post • Chicago Tribune • Vanity Fair • Entertainment Weekly • BuzzFeed • Esquire • Real Simple • Good Housekeeping • The New York Public Library • The Guardian • Evening Standard • Kirkus Reviews • Publishers Weekly • BookPage Prickly, wry, resistant to change yet ruthlessly honest and deeply empathetic, Olive Kitteridge is " a compelling life force " (San Francisco

Chronicle). The New Yorker has said that Elizabeth Strout “animates the ordinary with an astonishing force,” and she has never done so more clearly than in these pages, where the iconic Olive struggles to understand not only herself and her own life but the lives of those around her in the town of Crosby, Maine. Whether with a teenager coming to terms with the loss of her father, a young woman about to give birth during a hilariously inopportune moment, a nurse who confesses a secret high school crush, or a lawyer who struggles with an inheritance she does not want to accept, the unforgettable Olive will continue to startle us, to move us, and to inspire us—in Strout’s words—“to bear the burden of the mystery with as much grace as we can.” Praise for Olive, Again

“Olive is a brilliant creation not only because of her eternal cantankerousness but because she’s as brutally candid with herself about her shortcomings as she is with others. Her honesty makes people strangely willing to confide in her, and the raw power of Ms. Strout’s writing comes from these unvarnished exchanges, in which characters reveal themselves in all of their sadness and badness and confusion. . . . The great, terrible mess of living is spilled out across the pages of this moving book. Ms. Strout may not have any answers for it, but she isn’t
