Whittaker Chambers is the first biography of this complex and enigmatic figure. Drawing on dozens of interviews and on materials from forty archives in the United States and abroad--including still-classified KGB dossiers--Tanenhaus traces the remarkable journey that led Chambers from a sleepy Long Island village to center stage in America's greatest political trial and then, in his last years, to a unique role as the godfather of post-war conservatism. This biography is rich in startling new information about Chambers's days as New York's "hottest literary Bolshevik"; his years as a Communist agent and then defector, hunted by the KGB; his conversion to Quakerism; his secret sexual turmoil; his turbulent decade at Time magazine, where he rose from the obscurity of the book-review page to transform the magazine into an oracle of apocalyptic anti-Communism. But all this was a prelude to the memorable events that began in August 1948, when Chambers testified against Alger Hiss in the spy case that changed America. Whittaker Chambers goes far beyond all previous accounts of the Hiss case, re-creating its improbably twists and turns, and disentangling the motives that propelled a vivid cast of characters in unpredictable directions. A rare conjunction of exacting scholarship and narrative art, Whittaker Chambers is a vivid tapestry of 20th century history.

While many of the great games and heroes produced by the NCAA tournament are well-known to sports fans, there are countless stories that have been forgotten. That changes with 'The Villanova Miracle and 63 Other Dreams'. This book, which was produced after countless hours of meticulous research, chronicles every game played in the NCAA tournament in 1985, when the field was expanded to 64 teams, setting the stage for the explosive growth in popularity of an event that rivals the Super Bowl as America's favorite sports spectacle. The familiar stories, such as Villanova's improbable run to the championship, are all here and told in rich detail. But what makes 'The Villanova Miracle and 63 Other Dreams' special is that it delves into every game that was played in that unforgettable tournament, with summaries that bring to light surprising facts and memorable moments from each step in the championship chase. From Fairleigh Dickinson's near-miracle upset of Michigan to Wayman Tisdale's rim-hugging game-winner in the Sweet 16 to Joe B. Hall's strange ride off into the sunset - this book includes all of these great stories and many, many more. In addition, each summary includes a full box score that provides an important statistical backdrop to its corresponding game. The book starts with a lengthy recap of the 1984-85 regular season that helps set the stage for the detailed review of the NCAA tournament. There is also a short essay on the '85 tournament Most Outstanding Player, Ed Pinckney; a full list of the tournament statistical leaders; the complete standings of every conference; and finally a listing of all players from the tournament who were selected in the 1985 NBA draft. This book will prove to be a treasure trove of information for the die-hard hoops fan but also a fascinating history of one of this country's great events that all sports fans can enjoy.

This study draws on the life of renowned historian, Robert H. Ferrell, to explore issues related to the history profession. Ferrell's life story contextualizes postmodernism, the New Left, and the challenges of crafting history. The author analyzes Ferrell's biases, examining distinctions between his morals and actions as well as his private and public life. This book provides crucial insight into the subjectivity of history, the boundaries of the discipline, and the effects of historians' social lives on their work.

An inspirational guide for understanding your soul and discovering why it chose to incarnate at the moment it did. From the author of The Starseed Oracle, Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. "A leading voice in spirituality, Rebecca's work is deep and illuminating." — Soul and Spirit Magazine AN ENCOURAGING BOOK TO HELP YOU REMEMBER WHO YOU ARE AND TO PLANT YOURSELF HERE Tap into the cosmic nature of your soul, discover your purpose and commit to being here on Earth. Letters to a Starseed asks the biggest questions that mystics and philosophers through the ages have been asking: What is the soul, where did it originate and why have we chosen to come here at this time? YOUR SOUL HAD A DREAM, YOUR LIFE IS IT. This is a book for those who at times feel misplaced in the world; those who have always felt a remembering of some other place without quite knowing what that place really is. As a planet, we are waking up to the fact that the ancient prophecies and warnings from the elders and wise ones are no longer predictions, but our waking reality. They are not just coming or even near ... we are living them right now. What we do now matters to the future of this planet. And we all have a role to play. Some Letters to a Starseed Chapter Titles include: · Who Are We and Where Did We Come From? · The Moment of Your Birth · What Is a Starseed? · Ancient Stars in Our Bones · Reaching Back to the Ancients · Here We Are · Returning · The Longing for Home · I Remember · Why Did You Come Here? · There Must Be More Than This · Why Did You Choose to Come? · We All Have a Role to Play, but Only We Know What · Our Role Is · There You Are · I Have Music in My Heart · Finding Our Ground · Starseed Roles · Plant Yourself Here · How to Feel More at Home on Earth · The Challenge of Being Human · Incarnation · The Original Severing · Plant Yourself Here We are living in a time between myths and stories, and are currently re-weaving the fabric of life on Earth. Throughout this book, Rebecca shares insights and experiences illuminating the connection between our souls, the Earth and the cosmos, to encourage you to commit fully to your incarnation, embrace your human experience and plant yourself here. "Throughout the book you'll find two prompts, which will support you on your journey as you read. "In many chapters, you'll find Soul Inquiry prompts that will help you hear the calls of your soul as you journey through the book. "In some chapters, you'll also find activations. These are here to support you in activating and integrating energies and healing within you, from your soul to your cells. "My hope for this book is that it supports, comforts, and inspires you to remember who you truly are and why you chose to be here at this pivotal moment in the story of humanity. To commit fully to being here and being present to your life on Earth at this time. "To encourage you to play the note that you came here to play, without waver. "Do you remember why you've come?" Love, Rebecca x

A Practical Guide to Teaching and Assessing the ACGME Core Competencies John Wiley & Sons

A treasury of 125 ghost stories from the Keystone State makes up this huge volume. Each region of Pennsylvania is represented by an assortment of eerie tales, gathered by two of the state's best-known authors on the subject, including: • Tragic specters of Gettysburg • Pittsburgh's legendary Green Man • Revolutionary spirits in Philadelphia • Foreboding Ax Hollow near Erie • Mysterious mountain tales of the Scotia Barrens, Captain Phillips's murdered rangers, and the Lost Children of the Alleghenies **Washburn's Amateur Cultivator's Guide** Rowman & Littlefield

At the creation of the world, God gave mankind the responsibility to exercise dominion over the earth. Man was to use the earth and its abundance of resources to satisfy his physical needs, but he was also to care for the earth and its creatures as a wise and godly steward. Reading about endangered species or another oil spill will make it abundantly clear that the human race has failed miserably in its God-given mandate. How did we get to this point? Where should we go from here? This classic by Francis Schaeffer, now repackaged, looks at contemporary ecological crises through the lens of theology and Scripture. Renowned for his work in applied philosophy and theology, Schaeffer answers serious philosophical questions about creation

and ecology. He concludes that we must return to a profoundly and radically biblical understanding of God's relationship to the earth, and of our divine mandate to exercise godly dominion over it. Repackaged and republished, *Pollution and the Death of Man* carries an important and relevant message for our day. With concluding chapter by Udo Middelmann.

This regulation encompasses garrison, field, and subsistence supply operations. Specifically, this regulation comprises Army Staff and major Army command responsibilities and includes responsibilities for the Installation Management Command and subordinate regions. It also establishes policy for the adoption of an à la carte dining facility and for watercraft to provide subsistence when underway or in dock. Additionally, the regulation identifies DOD 7000.14-R as the source of meal rates for reimbursement purposes; delegates the approval authority for catered meals and host nation meals from Headquarters, Department of the Army to the Army commands; and authorizes the use of the Government purchase card for subsistence purchases when in the best interest of the Government. This regulation allows prime vendors as the source of garrison supply and pricing and provides garrison menu standards in accordance with The Surgeon General's nutrition standards for feeding military personnel. Also, included is guidance for the implementation of the U.S. Department of Agriculture Food Recovery Program.
