Consumption stalks Elizabeth James. At least that's what the doctors from Harley street, the best available in Britain if not the world, say it is. One drop of blood at a time. Her only hope is the clean air, good food, and care of her uncle, Dr Standfast. Life on Barnecourt farm, high on a down in Dartmoor, may be her last chance. A chance that strange, almost human, men threaten. Especially when they scratch at her window in the depths of the night. Strange animals, a dog that walks upright and understands English, stalk the brush. Almost as disturbing, a visitor, a young man, almost literally drops from the sky into her life.

“James Goll is one of the most accurate prophets I know.” —Sid Roth, It’s Supernatural! The Scriptures give us a full-color picture of a God who is moved by emotions such as yearning, love, and compassion. Our human emotions reflect the emotional qualities of our Creator, who made us in His own image. Feelings have a vital place in any believer’s life, not just in those who have a more sensitive nature due to their personalities. The Feeler by James W. Goll delivers a remarkable biblical perspective on our emotions and how they help us to discern and act on God’s voice. We experience the love, joy, and presence of God with our feelings. Our emotions have an impact on our bodies, our level of holiness, our relationships, and our decisions. The Bible tells us we need to have our “senses trained to discern good and evil” (Hebrews 5:14 NASB). What are we training? Both our natural senses and our spiritual senses. Our physical senses, with the addition of “knowing,” correspond to our spiritual senses in these ways: Eyes (sight): visions and dreams Ears (hearing): voices and sounds Heart (touch): emotions and feelings Tongue (taste): good and evil Nose (smell): good and bad Mind (knowing): divine thoughts and impressions This book will show you how to listen for and recognize the often subtle ways God’s Spirit speaks to believers, as well as how to discern good and evil spirits. With consecrated gifts and senses, you can reach out to the body of Christ and to the world at large in both spiritual and practical ways, making you much better equipped to fulfill your role as an ambassador of the gospel.

With the 1998 debut of its V92C, Victory Motorcycles became the New American Motorcycle. Victory's innovative, stylish heavyweight cruiser motorcycles attracted a loyal, hard-riding following, but not the market share needed to survive. This richly illustrated book covers the brand's history model-by-model and analyzes why the parent company announced in early 2017 that its Victory division would cease operation. This book also features a full reprint of the collectible first Victory history from 1998, The Victory Motorcycle.

Prophetic intercession has caught fire as God's people learn the power of praying his promises back to him. In this extraordinary book, James Goll draws from the stories of Elijah, who travailed for rain, and Anna, the praying prophetess whose intercession prepared the way for the Messiah, to illustrate the biblical mandate for intercessory prayer. James tells his own gripping, life-changing experience of how God gave him and his wife four children after years of barrenness, and he uses this testimony as a metaphor for what God can do for dying churches and hopeless circumstances when Christians lay claim to God's promises. Readers will gain a fresh vision after reading The Prophetic Intercessor for the importance of intercessory prayer for themselves, their churches, and the world.
