Welcome to the AHIMA CCS Practice Exam: Multiple-Choice 150 Questions & Answers. This book is designed to help individuals preparing for the Certified Coding Specialist (CCS) examination offered by the American Health Information Management Association (AHIMA). The

CCS credential is widely recognized in the healthcare industry and demonstrates proficiency in coding across various healthcare settings, including hospitals and healthcare facilities. Passing the CCS exam requires a solid understanding of coding guidelines, procedures, and regulations. This practice exam book provides candidates with an opportunity to assess their knowledge and readiness for the CCS examination through a series of 150 multiple-choice questions. Each question is carefully crafted to reflect the format and content of the actual exam, covering key topics such as ICD-10-CM diagnosis coding, ICD-10-PCS procedure coding, CPT coding, and regulations related to healthcare reimbursement. In addition to the questions, detailed explanations are provided for each answer choice, allowing candidates to understand the reasoning behind the correct response and learn from their mistakes. This approach not only helps reinforce coding concepts but also aids in identifying areas that may require further study and review. Whether you are a seasoned coding professional looking to validate your skills or a student aspiring to enter the healthcare coding field, this practice exam book is an invaluable resource to aid in your exam preparation journey. Utilize this book to sharpen your coding abilities, build confidence, and maximize your chances of success

on the CCS examination.

The Regulatory Compliance

section covers: * Integrity of Health Records * Payer-Specific Guidelines * Patient Safety Indicators (PSIs) and Hospital-Acquired Conditions (HACs) * HIPAA Guidelines * AHIMA's Standards of Ethical Coding * Uniform Hospital Discharge Data Set (UHDDS) ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix CCS study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of CCS practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our Certified Coding Specialist Exam Secrets Study Guide is no exception. It's an excellent investment in your future. Get the CCS review you need to be successful on your exam.
