Wiley CPA Examination Review Zain Academy

A CPA exam guide written specifically for international students The US CPA qualification exam is the most popular professional accounting qualification not just in the United States, but around the world as well. As international testing centers open across the globe, increasing numbers of non-American students are taking the exam, but

lack a study resource written specifically for them. Author Stephanie Ng passed the exam in less than a year and operates a popular exam test-prep website at IPassTheCPAExam.com. In How to Pass the CPA Exam, Ng explains her techniques and study tactics specifically for students outside the United States. A comprehensive and practical study guide for CPA exam students outside the United States Written by the operator of a highly popular test-prep website for international students Includes practical and effective test-prep resources Packed with smart advice presented from an international perspective, How to Pass the CPA Exam is a must for international students preparing for the test.
