The Game of Life Continues by Dr. Barry Reiter Inspired by a visit to the cemetery and seeing the headstones of mostly unknown people, Dr. Barry Reiter began to question what—if anything—was the value of their lives and life in general. This work represents Reiter's philosophy of existence and presents life as a game, with playing fields, player's objectives, and purpose. In The Game of Life Continues, all lives contribute to a life force of knowledge that will eventually enable players to fully understand life and creation.

This 2017 Article IV Consultation highlights that over recent years, Tonga has enjoyed robust growth and macroeconomic stability. Growth continued to be strong at 2.7 percent in FY2017 following 3.4 percent in FY2016, supported by construction, agriculture, tourism, strong remittances, and strong private credit growth. Inflation spiked in FY2017 because of a new import tax and an increase in domestic food prices. The country's external position weakened slightly owing to construction-related imports, with

A young woman is facially disfigured in an apparently motiveless attack. As her relationships with those around her change, she is forced to confront her own shortcomings. Gradually it becomes apparent that she has been a pawn in the machinations of an exclusive and secretive club for the seriously rich that, unknown to her, has been a malign influence on her life and family since childhood. When her face is restored by a skilled surgeon the motive behind the apparently senseless attack is revealed. But does she stand a chance of bringing those responsible to justice, or will she only succeed in creating some very powerful and dangerous enemies?
