CQ Almanac Plus gives you an in-depth look at the major bills of the second session of the 108th Congress, including the landmark overhaul of the nation's intelligence community and the failed attempt to update the nation's main highway law. The book also details the year's two big tax bills - for businesses and for middle-class families, along with the 13 appropriations bills, of which were enacted by the end of the session for the first time in three years. This year's edition also has a special section on the 2001 elections, with summaries of the presidential and

congressional races and complete, official returns for every congressional district in the country. Each of the more than 80 legislative histories contains a detailed adescription of the bill, a behind-the-scene look at how it was shaped and its status at the end of 2004. CQ
