[Harley-Davidson Causey Enterprises, LLC](#)

Motorcycles have been a way of life for Jean Davidson. Her grandfather was Walter Davidson, one of the four founders and the first president of Harley-Davidson. Her father was company vice president Gordon Davidson. And Jean herself was a Harley-Davidson dealer, rubbing elbows with all the Harleys and Davidsons as well as the Hell's Angels and Outlaws, famous racers, and Evel Knievel. This is the history of Harley-Davidson motorcycles no one else knew-until now! Here is the fairy-tale story of how four boys built their first motorcycle in a shed; how a slippery-handed maid stole all the company's earnings from the coffee can that served as their "bank"; and how a hermit uncle donated his life's savings to resurrect the company and set it on the path to becoming the world's most famous motorcycle maker. Here is the inside scoop on behind-the-boardroom-door politics and corporate battles, the unknown history of the first Knucklehead and Sportster, the secret friendship with arch-rival Indian motorcycles, and more. Here are family stories and rare photos from the family album that no one else has seen before.

[The Complete Harley-Davidson](#) Haynes Manuals N. America, Incorporated

Harley-Davidson: American Freedom Machines explores Harley-Davidson's fascinating history. 70 Harleys profiled, illustrated with photography and informative text. Hardcover 320 pages Scholars have estimated that roughly 300 motorcycle manufacturers set out their shingles across the U.S. in the early part of this century. By 1954, the exact figure was much easier to pin down: There was just one. Why Harley-Davidson survived when others failed is a story these pages can only begin to reveal.

[Harley-Davidson Knucklehead](#) Motorbooks

Harley-Davidson: A name that brings a smile to anyone who loves American motorcycles. For 100 years, that name has been synonymous with freedom, open roads, raw power and good times, and the Milwaukee motorcycles have spawned legions of fans world-wide who are fiercely loyal to their V-twin-powered machines and the company that built them. Since 1903, the Harley-Davidson Motor Company has endured wars, recessions, depressions, strikes, buyouts and buybacks, foreign competition, and ever-changing markets. It has survived all that, and thrived. Harley is now stronger than it's ever been, and shows no sign of slowing down. In the fourth edition of this classic history, author David K. Wright has revised and expanded the book to include all 100 years of the company's history. He covers the motorcycles, the men who built them, the owners, the dealers, the racers, and the entire Harley scene, from celebrity owners and police bikes to one-percenters, from restorers to custom bike builders. Wright's extensive research, candid style, and deep appreciation for Harley-Davidson's history combine to make this an important part of every Harley rider's library. This is the complete story of Harley-Davidson, the American motorcycle of the 20th Century -- and now, of the 21st Century as well. Every H-D fan, from first-time rider to grizzled veteran, will want this fascinating, all-too-true story -- now offered proudly without Harley-Davidson approval or endorsement. Book jacket.

The Harley-Davidson Story Motorbooks International

Cette nouvelle édition est enrichie des modèles récemment produits et de magnifiques dépliants. Elle présente les plus belles photos de Harley-Davidson réalisées par David Blattel : plus de cent machines sensationnelles, soit plus d'un siècle de Harley-Davidson ! Depuis les années 1900 jusqu'aux modèles CVO d'aujourd'hui les plus audacieux, ce livre constitue un catalogue à couper le souffle. Dain Gingerelli, spécialiste de ta marque, replace chaque moto dans son contexte historique et technique, avec des informations documentées. Aucune machine historique et moderne n'est ici oubliée : la " Silent Gray Fellow ", la " Pea Shooter ", les Knucklehead, Panhead, Sportster, Shovelhead, Evolution, Softail, Electra Glide, Super Glide, Wide Glide, Twin Cam, V-Rod, XR de compétition ; ce livre propose une délicate plongée dans l'univers des Harley-Davidson.
