Question-Based Bible Study Guide -- Matthew 14 - 28 Bushra Arshad

The Bible is the inspired Word of God, and over the centuries it has changed people's lives and led them to God. Yet sometimes it can be a difficult book to understand. The culture in which the Bible was written is so different from our own that at times we struggle to understand what it means or how it is relevant to our modern lives. In this 14-session video Bible study (DVD/digital sold separately), Bible professors John Walton and Mark Strauss give you the background you need to successfully understand even the difficult parts of the Word of God. They provide an overview of the Bible's key themes, show what the teachings meant to the people at the time, and explain how those teachings apply to your life today. By the end, you will have a greater understanding of Scripture, know how all the books work together, and understand what God has done to make a way for you to come to him. This study guide is meant as an accompaniment to the book Strategic and Tactical Considerations on the Fireground, Third Edition written by retired Deputy Chief James P. Smith of the Philadelphia, PA, Fire Department and published by Brady/Prentice-Hall. It is not meant to be an all-inclusive text or to answer all-encompassing questions; it is meant to reinforce the text after it is read. In many cases the questions are narrow in design and emphasize specific points made within the text. *Student Study Guide* Bushra Arshad
