New York : Hans Zell man and the family Publishers who loves him. Being A deeply moving the opera of the debut novel set amid family, Kingsley Ibe the perilous world of is entitled to certain Nigerian email privileges -- a piece of meat in his egusi scams, I Do Not soup, a party to Celebrate his Chance tells the celebrate his story of one young graduation from

university. As first son, he has responsibilities, too. But times are bad in Nigeria, and life is hard. Unable to find work, Kingsley cannot take on the duty of training his younger siblings, nor can he provide his parents with financial peace in their retirement. And then there is Ola. Dear, sweet Ola, the sugar in Kingsley's tea. It does not seem to matter that he loves her deeply; he cannot afford her bride price. It hasn't always been like this. For much of his young life, Kingsley believed that education was everything, that through wisdom, all things were possible. Now he worries that

without a "long-leg" -- someone who knows someone who can help him--his degrees will do nothing but adorn the walls of his parents' low-rent house. And when a tragedy befalls his family, Kingsley learns the hardest lesson of all: education may be the language of success in Nigeria, but it's money that does the talking. Unconditional family support may be the way in Nigeria, but when Kingsley turns to his Uncle Boniface for help, he learns that charity may come with strings attached. Boniface--aka Cash Daddy--is an exuberant character

who suffers from elephantiasis of the pocket. He's also rumored to run a successful empire of email scams. But he can help. With Cash Daddy's intervention, Kingsley and his family can be as safe as a tortoise in its shell. It's up to Kingsley now to reconcile his passion for knowledge with his hunger for money, and to fully assume his role of first son. But can he do it without being drawn into this outlandish milieu? enjoying her time off from school. Then her mother storms into the room and asks a question that will change the teenage girl's life forever: "Are you a witch?"

Dumbfounded by the ridiculous charge, Ijeoma further learns that her classmate, a beautiful young girl named Adaugo, is dead. But before she died, Adaugo confessed to being a witch, and claimed that Ijeoma was one, as well. Ijeoma vehemently denies this charge, but her mother does not believe her. Worse, neither does her beloved father. Their entire Nigerian village

soon hears of the charge, and Ijeoma is judged accordingly. Helpless, vulnerable, naïve, and inexperienced, Ijeoma is abandoned by her loved ones and forced to face the indignities of those who want her punished. But in the midst of the ashes of her life, Ijeoma clings to her faith and determines to discover the truth behind the deceit. Intense and thought-provoking, *A Cry of Innocence* reveals the tragic consequences suffered by those falsely accused and serves as a stark reminder of society's responsibility to the truth.

Obi Okonkwo is an idealistic young man who, thanks to the privileges of an education in Britain, has now returned to Nigeria for a job in the civil service. However in his new role he finds that the way of government seems to be backhanders and corruption. Obi manages to resist the bribes that are offered to him, but when he falls in love with an unsuitable girl - to the disapproval of his parents - he sinks further into emotional and financial turmoil. The lure of easy

money becomes harder to refuse, and Obi becomes caught in a trap he cannot escape. Showing a man lost in cultural limbo, and a Nigeria entering a new age of disillusionment, *No Longer at Ease* concludes Achebe's remarkable trilogy charting three generations of an African community under the impact of colonialism, the first two volumes of which are *Things Fall Apart* and *Arrow of God*. *I Know Why the Caged Bird Sings* Sub-Saharan Pub & Traders Fifteen years ago, Mama said, starting her story, I came to Lagos

from Ghana. I came to Nigeria because I was considered an alien in that country. The government of Ghana passed a law asking all aliens without resident permits to regularise their stay in the country'. This story of migration, identities and lives undermined by cynical and xenophobic politics pushed to its logical and terrible conclusion pertains to the Ghanaian orders of 'alien compliance' issued in 1970-1971, which determined to force all non-

ethnic Ghanaians, so called illegal immigrants, to return to their - so stipulated - 'home'. The novel thus touches on concerns of deeper relevance to the politics of race and migration of the twenty first century.

Oliver Twist; or, the Parish Boy's Progress is Charles Dickens's second novel, and was first published as a serial 1837-39.[1] The story centres on orphan Oliver Twist, born in a workhouse and sold into apprenticeship with an undertaker.

After escaping, Oliver travels to London, where he meets "The Artful Dodger", a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin. *Oliver Twist* is notable for its unromantic portrayal by Dickens of criminals and their sordid lives, as well as for exposing the cruel treatment of the many orphans in London in the mid-19th century.[2] The alternative title, *The Parish Boy's Progress*, alludes to Bunyan's *The Pilgrim's Progress*, as well as the 18th-century caricature series by William Hogarth, *A Rake's Progress* and *A Harlot's Progress*. [3] In this early example of the social novel, Dickens satirises the hypocrisies of his time, including child labour, the recruitment of children as criminals, and the presence of street children. The novel may have been inspired by the story of Robert Blincoe, an orphan whose account of working as a child labourer in a cotton mill was widely read in the 1830s. It is likely that Dickens's own youthful experiences contributed as well. *Oliver Twist* has been the subject of numerous adaptations for various media, including a highly successful musical play, *Oliver!*, and the multiple Academy Award-winning 1968 motion picture. Disney also put its spin on the novel with the animated film called *Oliver & Company* in 1988. *The Saint* Diamond Pocket Books Pvt Ltd Emily Bronte was an English novelist & poet, who is best known for her only novel, "Wuthering Heights: She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of

Feminists and Half of a Yellow Sun—the story of two

Nigerians making their way in the U.S. and the UK, raising universal questions of race, belonging, the overseas experience

for the African diaspora, and the search for identity and a home. Ifemelu and Obinze are young

and in love when they depart military-ruled Nigeria for the West. Beautiful, self-assured Ifemelu

heads for America, where despite her academic success,

she is forced to grapple with what it means to be black for the first time. Quiet, thoughtful Obinze had hoped to join her, but with post-9/11 America closed to him, he instead plunges into a dangerous, undocumented life in London. Fifteen years later, they reunite in a newly democratic Nigeria, and reignite their passion—for each other and for their homeland.

Street life in the slums of Accra is realistically portrayed in this socially-committed, subtle novel about four educated women who are inspired by the plight of a 14-year old girl, Fofo. As the main characters convert their library center into a practical street initiative, the novel invokes the squalor, health risks, and vicious cycles of poverty and violence that drive children to the streets and women to prostitution; and, from which, ultimately, no one in the society is free.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of

abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts

and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.
