All the fundamentals. No fluff. Learn more with less! A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility. The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit, reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important. Though brief, this core book is still robust enough to provide everything that students need to be successful in their American Government course. Whether for the on-the-go student who doesn't have time to read and digest a lengthy chapter, or the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities, AmGov provides a perfectly simplified foundation for a successful American Government course. **Little Ree** Citadel Press
'Mr Sherlock Holmes, the well-known private detective, was the victim of a murderous assault this morning which has left him in a precarious position'. Dr Watson stops dead in his tracks when he reads of the attempt on his friend's life. The forces of nature turn against man, love breeds hatred and cowardice, mothers appear to attack their own children, and Sherlock Holmes, the one man who can redress the balance, seemingly lies at death's door ... When an assassination attempt is made on the great detective's life it seems that no one can escape the death and dread which blights Britain... **Woodcraft and Camping** American Medical Association Press
Beautiful Lily Beaumont and her husband Jack are owners of a genuine Victorian tavern, situated on one of Belfast's few remaining narrow cobbled streets. It's a favourite among the locals who love the quiet atmosphere, good beer and simple food. Then one day, Dublin-based developer Vincent Halloran arrives with big plans for Maple Street. The other traders are keen to sell up and retire, but Jack and Lily aren't ready to call 'time, please' on their beloved tavern. Instead Lily hires four pretty barmaids to bring in the customers. Enter pint-sized, man-eater Bridget, lazy art-student Daisy, neurotic Trudy and painfully shy Marie. And if the stakes for Lily and Jack weren't already high enough, there's a secret about the Maple Street tavern that has yet to be discovered. A secret that will redefine the meaning of love, friendship, and family in the most surprising ways ... Hometown Flavors Haynes Manuals N. America, Incorporated

New York Times bestselling author, Food Network star, and The Pioneer Woman herself, Ree Drummond brings us the first book in a brand-new picture book series! In Ree's own words: "I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures!" Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents' ranch. She's excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn't eat everything in sight. And that's all before breakfast! Will she ever get used to this new place? Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn't about the right pair of boots, it's all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond's new picture book introduces us to a spunky new picture book star and treats us to a special pancake recipe at the end! *AmGov* Haynes Service and Repair Manuals
Harley-Davidson's Softail line is one of Harley's best-selling series, and in fact is one of the most popular large-displacement motorcycle series in the world. No question, the Softail defines the cruiser genre, the best-selling segment in the U.S. motorcycle market. Combine the bikes' popularity, their beautiful design, and the relative few books on the subject, and Harley-Davidson Softail is the perfect choice for Harley enthusiasts.This Softail bible discusses the story behind the original Softail chassis, built and marketed by Bill Davis before being purchased by Harley, and continues by focusing on the various Softail models, such as the Heritage, Springer, Fat Boy, and the latest Softail series, which uses the innovative dual counterbalanced Twin Cam 88B engine. There's something in the earth deep below Elise Kavanagh's territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it's coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again with her former partner, James Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she's come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there's no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever. The Tavern on Maple Street Penguin UK
Enter the “fascinating” and frightening world of modern forensic psychology as experienced by one of the most respected practitioners in the field today (Robert K. Tanenbaum, New York Times–bestselling author). At the heart of countless crimes lie the mysteries of the human mind. In this eye-opening book, Dr. Cheryl Paradis draws back the curtain on the fascinating world of forensic psychology, and revisits the most notorious and puzzling cases she has handled in her multifaceted career. Her riveting, sometimes shocking stories reveal the crucial and often surprising role forensic psychology plays in the pursuit of justice—in which the accused may truly believe their own bizarre lies, creating a world that pushes them into committing horrific, violent crimes. Join Dr. Paradis in a stark concrete cell with the indicted as she takes on the

daunting task of mapping the suspect's madness or exposing it as fakery. Take a front-row seat in a tense, packed courtroom, where her testimony can determine an individual's fate—or if justice will be truly served. The criminal thought process has never been so intimately revealed—or so darkly compelling—as in this “excellent and entertaining” journey into the darkest corners of the human mind (Booklist).

From the New York Times Bestselling Author and Co-Star of Fox's American Grit comes a rare and powerful book on the art of being a sniper. Way of the Reaper is a step-by-step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nick Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. Way of the Reaper attempts to place the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th Ranger Regiment, while also examining the personal ramifications of taking another life. Readers will experience the rush of the hunt and the dangers that all snipers must face, while learning what it takes to become an elite manhunter. Like the Reaper himself, this explosive book blazes new territory and takes no prisoners.
