This comprehensive handbook is recognized as the definitive stand-alone energy manager's desk reference, used by tens of thousands of professionals throughout the energy management industry. This new ninth edition includes new chapters on energy management controls systems, compressed air systems, renewable energy, and carbon reduction. There are major updates to chapters on energy auditing, lighting systems, boilers and fired systems, steam and condensate systems, green buildings waste heat recovery, indoor air quality, utility rates, natural gas purchasing, commissioning, financing and performance contracting and much more with numerous new and updated illustrations, charts, calculation procedures and other helpful working aids.

Investing in Our Nation's Youth John Wiley & Sons

The year is 1502, and seven-year-old Bianca de Nevada lives perched high above the rolling hills and valleys of Tuscany and Umbria at Montefiore, the farm of her beloved father, Don Vicente. One day a noble entourage makes its way up the winding slopes to the farm—and the world comes to Montefiore. In the presence of Cesare Borgia and his sister, the lovely and vain Lucrezia—decadent children of a wicked pope—no one can claim innocence for very long. When Borgia sends Don Vicente on a year's quest to reclaim a relic of the original Tree of Knowledge, he leaves Bianca under the care, so to speak, of Lucrezia. She plots a dire fate for the young girl in the woods below the farm, but in the dark forest there can be found salvation as well. . . . A lyrical work of stunning creative vision, *Mirror Mirror* gives fresh life to the classic story of Snow White—and has a truth and beauty all its own.
