The Simple, Powerful Path to a Close and Lasting Relationship
Penguin Books India

What is it that keeps you from having the love you desire, the relationship you truly want? What is it that keeps your relationship from being lived to the fullest, from being filled with the utmost joy? How to Keep Your Love Alive will answer that question and show you how easy it is to have a healthy, happy lasting relationship once you learn and practice the laws of lasting love. Like the laws of gravity, these simple laws work unfailingly. If you jump off a building and expect to fly, you'll find yourself crashing to the ground. If you undertake a relationship without following these laws, at one point or another, both you and the relationship can come crashing down too. This book shows you how to build your relationship on a firm foundation, so it can grow strong and tall. Filled with short, easy to understand chapters, you discover who you are, want you want and how to become your own best friend. You also find out more about your partner, what they truly need and want, and what makes them withdraw. Then you receive relationship tools - ways of solving stuck spots, healing misunderstandings, loneliness and pain. Once the relationship is established on a firm basis, this book shows how love grows, what keeps it strong, alive, and how to continually renew the romance and love. The chapters contains information, guidelines, tools and exercises. The exercises are simple and enjoyable and when you apply them to your life situation, amazing changes take

place and soon you begin to experience the love you want. There is no problem that cannot be solved when you apply one of the tools or guidelines.

Love People, Use Things iUniverse

“ Love Your Enemies... ” This is one of the few statements Jesus made that is readily accepted by believers and skeptics alike. Its authenticity is not seriously questioned and yet it is a revolutionary command. Giving attention to various critical theories, John Piper presents evidence that the early church earnestly advocated for non-retaliatory love, extending it to those who practiced evil in the world. Such love was key to the church ’ s own ethical tradition or paraenesis. Piper illuminates the Synoptics and passages in Romans, as well as 1 Thessalonians and 1 Peter, with non-canonical evidence, investigating the theological significance of Jesus ’ s love command. Originally published as #38 in the Society for New Testament Studies Monograph Series, this is John Piper ’ s doctoral dissertation from the University of Munich. It is a serious work of Christian scholarship by a long-time respected author and pastor. This repackaged edition features a new, extensive introduction and will be of interest to scholars, students, and lay people who have training in New Testament studies.

Create the Relationship You've Always Wanted Using the Secrets of Personality Type Cokesbury

Is your career all it could be? Henry David Thoreau famously said,

“ The mass of men lead lives of quiet desperation. ” Does this describe your current work situation? Whether you ’ re just starting out, looking for a change, or experiencing unwanted change, there ’ s a way forward. Love Your Work is about pivoting step-by-step to a more satisfying career. It will help you: Dream up bigger goals than you have now—and meet them Search out new careers or niches within your industry Pursue work and success in the holistic sense Maybe the new economy feels daunting to you. Maybe you ’ re not sure how to break out of your industry. Maybe you ’ re struggling to move up in rank. Wherever you are, if you don ’ t find your work meaningful and engaging, it ’ s time for a change, and Love Your Work will prepare you to make it. Robert Dickie III is a career advisor and CEO passionate about helping people find their best work. And it shows. He offers motivating stories, insights into today ’ s market, and dozens of resources for growing in your career. By the end of Love Your Work, you won ’ t just be equipped for the next move, you ’ ll be inspired for it. You ’ ll see work differently, and you ’ ll want to pursue it like you never have before.

The Simple, Powerful Path to a Loving Marriage Sourcebooks, Inc.

What does it mean to have a business that you love and that loves you back?As a business therapist, Nicole sees business owners and entrepreneurs every day who are stressed out by their businesses feel alone, unsupported and overwhelmed by their schedules. No one drops their personal baggage at the door when they start a business. In fact, starting a business means entering into a relationship, just like a friendship or romance. And just like in human-to-human relationships, if we don't set clear boundaries, and work to practice them mindfully, we're bound to default into toxic behaviors from our past. In other words, we bring our emotional challenges into our businesses with us, and when we ignore this, we get in trouble. In this book, Nicole shares her story of how she almost gave up on her business and dreams when she realized that she had created a business that was demanding and demeaning instead of loving and supportive. If you had trauma in your childhood it will impact all your relationships-and that includes the relationship that you're building with your business. We recreate patterns that we grow up with because they feel familiar and because we've been taught to compartmentalize our lives and drop our "baggage" at the door when we go to the office or start a business. There's no room for emotions, vulnerability, or mental health problems when it comes to workplaces. But the truth is, you will get more out of your business if you integrate all parts of yourself. Based on her experience of over 18-plus years as a Licensed Clinical Social Worker and therapist, as well as her completion of Bren é Brown's The Daring Way(TM) and Dare To Lead(TM) methodologies, Nicole outlines a process to redefine the relationship you have with your business. She'll walk you through how to identify your values so you know when you're in and out of integrity; craft an authentic mission and vision statement; make space for your business; create the boundaries needed for you and your business to thrive; love your inner critic; examine your relationship with money and create an Emotional Sustainability Plan that will act as a compass to help you make aligned daily decisions about your business. All of this so you can make more money, feel more connected to your business and clients as well as have a business that is emotionally sustainable.

Tools for Team Leadership Wipf and Stock Publishers

"Like newborn babes, long for the pure milk of the word, that by it you may grow in respect to salvation." 1 Peter 2:2 It's a fact of life: our health declines if we don't nourish our bodies every day with food and water. That's true physically. It's true spiritually as well. If we neglect to regularly feed our souls on the Holy Scriptures, our faith becomes weak and we start to lose touch with our Savior. Growth is stifled... if it happens at all. Drawing Near, used daily in combination with God's Holy Word, can not only help bring you closer to God but also keep you from spiritual stagnation. This book will guide you in a growing relationship with Him. As Pastor MacArthur says in his Introduction: "Our entertainment-conscious, quick-fix, fast-food society does everything it can to divert us from setting aside time to study God's Word. As you well

know from your own efforts, Bible study is not often entertaining—it's hard work. It takes discipline to set aside time each day to reap the benefits such study has to offer. If you reach an impasse when it's time to sit down, open your Bible, and try to decide what to do, you're not alone. Without some plan to follow, it's easy to become frustrated and eventually give up after only one or two days. That's where this book comes in." If you desire greater understanding of the precious Word of God, if you want a daily guide to draw you closer to the Lord, this outstanding collections of 365 devotional readings by one of America's most respected and trusted Bible teachers is for you!

NIV Life Application Study Bible, Third Edition, Personal Size (Hardcover) Crossway

A garden needs constant nurturing to stay healthy, and so does a marriage. Relationship expert Eve Hogan explains that love, like self-esteem, doesn't go away, but is blocked by negative experiences, comments, and beliefs that make the love difficult to feel.

How to Love Longterm Nelson Thornes

It's time to step away from the scale, ditch the fad diets, and embrace the body you're in. In this powerful book, Kimber Simpkins, yoga instructor and author of Full, gives you 52 undeniable ways to love your body and discover your own unique beauty! Do you look in the mirror and see all the things you dislike about your body? For many of us, the first step to loving our bodies is being able to look at our reflection and not criticize what we see. And in a culture that worships thin, beautiful celebrities, it's easy to feel like we just don't measure up. So, how can you get over your flaws and focus on your fabulous? 52 Ways to Love Your Body is packed with easy and fun practices - one for each week of the year - to help you toss perfectionism out the window, turn down the volume on that nagging inner critic who is always going on about what's wrong, stop the never - ending comparison game, and finally love your body. You'll also find encouraging, in - the - moment affirmations to keep negative self - talk at bay, and give you a much - needed pick - me - up, any time, any place. If you're ready to start loving your body, this book gives you 52 ways to get started now. So, what are you waiting for?

Jesus' Love Command in the Synoptic Gospels and the Early Christian Paraenesis Hunter House

In this groundbreaking work by Carol Ritberger, you ’ ll discover the important role that personality plays in how you define love, what love

means to you, and why the expressions of love can be so different that you ' re frequently left asking, "How can relationships work at all?"

16 Things I Thought Were True Little, Brown

Advanced Romance delightfully defines 16 Romantic Rules that may be hindering your quest to find good love. They include the Failure-if-not-Forever Fallacy which demonstrates that a failed marriage or monogamy doesn't necessarily mean a failed relationship. Or the Evolution-Confusion Bruisin' that illustrates that evolution is desperately trying to find us a happy-ever-after mate -- if we, and society, will only get out of the way. Or the Grass-is-Greener Misdemeanor which deconstructs the plethora of pressures pestering us to demean the love we do have. Dr. David Buss, who wrote the worldwide best seller The Evolution of Desire said about Advanced Romance: "This book is absolutely terrific and I'm sure will be a big success. It contains many important insights that will be very useful to readers. By deeply understanding that much of American society is entering a post-Puritan and post-Playboy stage, many of the heartwarming and transforming insights to which Dr. Buss alludes are revealed. These include the christening of STEs, sexually transmitted emotions -- not to be confused with STDs -- and how satisfying and dangerous they can be. Or the conclusion that, given the great divorce and breakup rates, emotional prenuptials may be as important as financial ones. Or the counter-intuitive contention that Platonic flirting with other people can sometimes boost the zest between an otherwise depressed, monogamous couple. Advanced Romance is a splendidly comprehensive, yet enchantingly easy read, aimed at the battle-scarred, yet still incurable, romantic. It synthesizes the work of many relationship geniuses including groundbreaking anthropologist Helen Fisher, aforementioned trailblazing evolutionist David Buss, and iconoclast therapist Ester Perel, and uses those conclusions to springboard into exciting new relationship horizons. After reading AR, you may find that your love life -- and love of life -- are substantially enhanced, if not dramatically revolutionized.

Love Your Enemies (A History of the Tradition and Interpretation of Its Uses) Tyndale House Pub
