Bold Strokes Books Inc

One woman with her entire life in front of her. Having experienced a lifetime's amount of loss and love under the spotlight of her stepfather and stepbrother's rock and roll stardom, London Fields decides now is her time to shine. Leaving for college with a clear focus and big dreams around her musical

theater major, she is ready to take on the world ... under an assumed name. Protecting her identity will allow her the freedom to experience life and maybe love for the very first time. One man with a second chance to live for himself. A horrible accident devastated life as Logan Links and his family knew it. He spent a semester off from college to help them begin to heal and returns to school just in time to play one more season of college football. Only one thing can make things ... hard. Logan and London have had a tumultuous relationship since he was twelve and she was eight. One that has always been buffered by their families' close connection. Now, they are on their own. What happens when these two repeatedly run into each other without the watchful eyes of others? Will London's daydreams of Logan Links being the first man she

kisses become a heavenly reality, or will his devil dimples lead her straight to hell?

When girls in Gotham City go missing, Harley Quinn is determined to track down their kidnapper. But the only way to outsmart a villain is to engage in a little villainy herself. Don't miss the adrenaline-racing conclusion to the Harley Quinn trilogy. In Gotham

City even the heroes are wicked. Harley Quinn and Poison Ivy can't wait to cross off the final items on their summer bucket list. They still need to: Go to Pride Get mani/pedis Figure out how they can kiss without Ivy's toxic lips killing Harley. (Every relationship has its challenges!) But their to-do list gets more dangerous when young girls vanish from the streets of Gotham City. The only clues left behind are the dolls on Harley's doorstep from a mysterious sender known as the Dollmaker. The message is clear: come find me...if you dare. Award-winning

author Rachael Allen delivers the fast-paced and fiercely feminist conclusion to the Harley Quinn trilogy. "Allen's Harley is a fierce, righteous, brilliant, and preternaturally brace ball of chaos. I loved and feared every single minute with her." -Dahlia Adler, author of Cool First and Only Destiny EBook & LARGE Print Harlequin "Max is standing on the beach brooding, and holding an engagement ring he was trying to talk himself out of giving to a woman he doesn't love. Claire is trying to escape a blind-date gone very wrong when she encounters Max at the water's edge. When their lips meet before they do, what could possibly go wrong?"-- 50 First Kisses Harper Collins

Thirteen tales are unspun from the deeply familiar, and woven anew into a collection of fairy tales that wind back through time. Acclaimed Irish author Emma Donoghue reveals heroines young and old in unexpected alliances--sometimes treacherous, sometimes erotic, but always courageous. Told with

luminous voices that shimmer with sensuality and truth, these age-old characters shed their antiquated cloaks to travel a seductive new landscape, radiantly transformed. Cinderella forsakes the handsome prince and runs off with the fairy godmother; Beauty discovers the Beast behind the mask is not so very different from the face she sees in the mirror; Snow White is awakened from slumber by the bittersweet fruit of an unnamed desire. Acclaimed writer Emma Donoghue spins new tales out of old in a magical web of thirteen interconnected stories about power and transformation and choosing one's own path in the world. In these fairy tales, women young and old tell their own stories of love and hate,

honor and revenge, passion and deception. Using the intricate patterns and oral rhythms of traditional fairy tales, Emma Donoghue wraps age-old characters in a dazzling new skin. 2000 List of Popular Paperbacks for YA

A Thousand Boy Kisses Maggie Dallen

A person's first kiss is always memorable. But kissing is an act that can seem like rocket science to some, especially if you've never done it. Kissing has been immortalized in various screenplays, poems, novels and even in songs. But how do you

memorable as it deserves to be? If you are one of the many who haven't tried it yet, but are just dying to kiss that special someone, then reading this book will definitely help you out. You will learn how to set up the perfect moment, how to feel confident and, of course, how to do all the technical stuff right (without it seeming technical at all).

Never Never MJ Fields
HE SAID... "Trust me - If there's one thing I'm not attracted to, it's the shrieking, overly-dramatic shrew that's taken over my sister's apartment. And what is up with her hair? I know what I want; an easy, uncomplicated lay - and Cecelia Carter sure as shit isn't one. But I never could resist a challenge, and vow to wipe that condescending grin off her pretty face. Aw, shit. Did I just call her pretty..?" - Matthew Wakefield
SHE SAID...

"Trust me - If there's one thing I'm not attracted to, it's

an arrogant, selfish and foul-mouth hockey player. I know what I want; someone who's good for my body and soul and makes me laugh - and Matthew Wakefield isn't any of those things. I cannot stand the sight of him; I mean, what a jackass. If I refuse to give him anything but sass and sarcasm, it's only because he deserves it..." - Cecelia Carter

Nora Reid believes scientific laws control everything, even love. With her grandparents' epic first kiss story cemented in her brain, Nora develops a hypothesis she's determined to prove: for each person in the world, there is exactly one other person, and at first kiss, they'll experience an immediate and intense reaction. But after four years of zero-reaction kisses, she

comes up with a new theory: maybe that pesky crush on her stunningly hot best friend Eli Costas is skewing her results. She needs to get rid of him, and fast. Eli Costas is an injury-prone lacrosse star with a problem—the one chance he had at winning over the girl next door resulted in the most epically sucktastic first kiss ever. And now she's...trying to get rid of him? Hell no. It's time to disprove her theory and show her exactly what she's missing. Game. On. Disclaimer: This book contains a stunningly hot lacrosse player who isn't above playing dirty to win over the stubborn girl-next-door of his dreams. Jesse Dylan was my best friend, my first kiss . . . and my first heartbreak. Watching him walk out of my life almost ruined me. But years have passed, and the pain of losing him has long since faded. Or so I thought. One glimpse in his cobalt eyes and those old wounds reopened. Jesse wants a second chance at what might have been, but it's too late. I'm with someone new. Someone safe. Someone who can't break me. Yet the heart wants what it wants, and mine has only ever beat for the one who got away. I can't deny him. I can't resist him. He consumes my every waking thought and invades my dreams. After all these years, I find myself wondering if I'll ever truly stop loving the boy who taught my heart to hurt. Jesse abandoned me when things got too difficult once. I'm about to find out if lightning can strike twice.

She's on his campus to score a science scholarship...so how did she win the quarterback's heart? This shy high school senior never imagined her first kiss would come from a college quarterback. But then again, she never thought she'd get kissed at all. Not anytime in this decade, at least. Speaking to guys is definitely not Charlotte's forte. She's more of a data and numbers kind of girl. But when her friends convince her that this weekend-long science competition is the best way to get her lab partner's attention, she's ready to step outside her comfort zone and show her old friend that she's more than just a big brain. Her first attempt at a flirtation? Not a success. But help comes along in the form of West, the college quarterback, a guy three

seconds away from failing out...unless he can get a science geek to help him out. It's quid pro quo for the science nerd and the athlete. Until feelings get involved. Now no one is certain who likes who or what's real and what's fake...least of all Charlotte. Isn't there some sort of experiment that could help her sort out the truth from the lies? According to West, there is. The details of this lab experiment? Well, it involves a first kiss...
