Historical Events in 1948 - On This Day

Overall this is a thorough and balanced history of the events leading up to the 1948 Arab-Israel War, and the war itself. It's the most complete single-volume history of that war that I've found. Although some claim that Morris labels an apologist for the Arabs and that he is "anti-Israel", I find Morris's writing to be objective and, if anything, pro-Israel.
