Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Harley Davidson UNC Press Books

This comprehensive history of the Harley takes a close look at the world's most famous motorcycle manufacturer, from its humble beginnings in a garden shed in 1903 to the surging popularity of today. More than 250 color and black-and-white photographs of Hogs, Shovels, Panheads, and Softails provide a visual documentary of the bike's transformation over the years, while an absorbing text by motorcycle journalist and Harley enthusiast, Tod Rafferty, follows the fortunes of this fabled marque as it approaches its centenary.

Created by George Gershwin and DuBose Heyward and sung by generations of black performers, Porgy and Bess has been both embraced and reviled since its debut in 1935. In this comprehensive account, Ellen Noonan examines the opera's long history of invention and reinvention as a barometer of twentieth-century American expectations about race, culture, and the struggle for equality. In its surprising endurance lies a myriad of local, national, and international stories. For black performers and

commentators, Porgy and Bess was a nexus for debates about cultural representation and racial uplift. White producers, critics, and even audiences spun revealing racial narratives around the show, initially in an attempt to demonstrate its authenticity and later to keep it from becoming discredited or irrelevant. Expertly weaving together the wide-ranging debates over the original novel, Porgy, and its adaptations on stage and film with a history of its intimate ties to Charleston, The Strange Career of "Porgy and Bess" uncovers the complexities behind one of our nation's most long-lived cultural touchstones.

American Motorcyclist magazine, the official journal of the American Motorcyclist Associaton, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

[Illustrated Harley-Davidson Buyer's Guide](#) Causey Enterprises, LLC

Motorcycles are mythic, far more than mere transportation, but some are in a class of their own, truly legendary machines. There are the Triumphs: James Dean ’ s, Marlon Brando ’ s in The Wild Ones, the one Steve McQueen took over the fence in The Great Escape. There are Evel Knievel ’ s and Elvis ’ s Harleys, the Easy Rider Stars ’ n ’ Stripes bike, and T. E. Lawrence ’ s Brough Superior SS100; Von Dutch ’ s Condor, Craig Vetter ’ s Mystery Ship, and Mike Hailwood ’ s Honda RC162. These are just some of the machines that have made motorcycle history, and that make this book a feast for the eyes and a fact-filled odyssey for the motorcycle aficionado. Illustrated with commissioned photographs and historical images, the book profiles the bikes--not just the models but the actual motorcycles--that have achieved legendary status in the last century. Their stories, told here in detail for the first time, make up the story of the motorcycle in American culture. See Motorbooks author Basem Wasef interviewed by Jay Leno on JayLenosGarage.com: <http://www.jaylenosgarage.com/video/jays-book-club-basem-wasef/1168295/>
