WALNECK'S CLASSIC CYCLE TRADER, JULY 1991 Walnecks, Inc.

Celebrating the motorcycles and the memories that have made Harley-Davidson an American legend.

Harley Davidson Causey Enterprises, LLC

Donny Petersen, who studied privately with Harley-Davidson engineers, shares practical knowledge and street-wise tips in the fifth volume of his unauthorized guide on the best motorcycle maker in the world. Written in straightforward

language, this guide can help even a motorcycle novice to become an expert mechanic by following Donnys step-by-step instructions. Whether youre looking for detailed service procedures such as fitting engine bearings or simple tips on maintenance, Donny is eager to share the expertise hes stockpiled on the Shovelhead over the last forty years. Donny shares real stories so you can find solutions to whatever is ailing your Shovelhead. Resolve teething problems, troubleshoot problematic aspects of the engine, and fix whatever comes up with various models. Gear ratios, torque multiplication, and H-D and aftermarket tools of the day are prominent in the guide, which even includes information on tools Donny invented himself to make your life easier. Get the specifications for tightening all the Shovelhead fasteners and adjustments to mechanisms on various models. In his usual forthright manner, Donny makes technical issues understandable, interspersing explanations with entertaining stories about the hard core lifestyle that comes with

being a Harley rider.

American Motorcyclist Penguin
When anyone thinks of motorcycling, whether they are enthusiasts or only casually interested, the name Harley-Davidson immediately comes to mind. Harley-

Davidson is among the oldest surviving motorcycle manufacturers; the company began in 1903 and continues to this day. As you can imagine, over the course of more than 100 years, the company has seen prosperous times as well as lean times, changes in focus and direction, evolution and revolution. All of that leads to a lot of company history and trivia. American Iron Magazine associate editor Tyler Greenblatt has compiled 1,001 Harley-Davidson facts into this single volume, with subjects ranging from the historic powertrains to pop culture to Harley-Davidson as a company and manufacturer. Facts begin with the early years, when a motorcycle was not much more than a bicycle with an engine attached, to the war efforts of World War I, when 15,000 were put into service. During the 1920s, Harley-Davidson grew into the largest manufacturer in the world, and that momentum helped carry it through the

Great Depression and into World War II. Postwar development and AMF ownership are also covered in detail, as well as the restructuring and revival of the brand in recent years. Whether you're a casual rider, racer, or restorer, Harley-Davidson enthusiasts will be sure to find something in this book for that next conversation with fellow hobbyists. This book will keep Harley-Davidson enthusiasts entertained for hours, and is a great edition to any motorcycling library. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial} *Harley-Davidson Since 1965* Causey Enterprises, LLC Hailed as "a masterwork" by the Wall Street Journal, *Careless Love* is the full, true, and mesmerizing story of Elvis Presley's last two decades, in the long-awaited second volume of Peter Guralnick's masterful two-part biography. Winner

of the Ralph J. Gleason Music Book Award Last Train to Memphis, the first part of Guralnick's two-volume life of Elvis Presley, was acclaimed by the New York Times as "a triumph of biographical art." This concluding volume recounts the second half of Elvis' life in rich and previously unimagined detail, and confirms Guralnick's status as one of the great biographers of our time. Beginning with Presley's army service in Germany in 1958 and ending with his death in Memphis in 1977, Careless Love chronicles the unravelling of the dream that once shone so brightly, homing in on the complex playing-out of Elvis' relationship with his Machiavellian manager, Colonel Tom Parker. It's a breathtaking revelatory drama that for the first time places the events of a too-

often mistold tale in a fresh, believable, and understandable context. Elvis' changes during these years form a tragic mystery that Careless Love unlocks for the first time. This is the quintessential American story, encompassing elements of race, class, wealth, sex, music, religion, and personal transformation. Written with grace, sensitivity, and passion, Careless Love is a unique contribution to our understanding of American popular culture and the nature of success, giving us true insight at last into one of the most misunderstood public figures of our times. **Donny'S Unauthorized Technical Guide to Harley-Davidson, 1936 to Present** Causey Enterprises, LLC Harley-Davidson Sportster: Sixty Years tells the complete story of the Sportster. First produced in 1957, it has gone on to become one of the top

selling motorcycles of the
twenty-first century.
