Chevy's Corvette is without question one of the most recognized sports cars in the world. Since its introduction at GM's Motorama, Corvettes have been favorites for fans and drivers in a wide variety of racing venues, including endurance events, hillclimbs, Trans-Am, drag racing, and GT Racing. For six decades, Corvettes have battled and defeated some of the the biggest names in the sports car world—Ferrari, Porsche, Cobra, Jaguar—at storied road courses like Le Mans, Daytona, the Nürburgring, Sebring, and Laguna Seca.
