1984 Summary. The story

unfolds on a cold April day in 1984 in Oceania, the totalitarian superpower in post World War II Europe. Winston Smith, employed as a records (no, not vinyl) editor at the Ministry of Truth, drags himself home to Victory Mansions (nothing victorious about them) for lunch. Depressed and oppressed, he starts a journal of his rebellious thoughts against the Party.

*1984 Summary Chapter
1*

The Party decides everyone needs to love the Party and not anyone else (kind of like a jealous and controlling lover, but with an unnatural proclivity for torture). So the Party eliminated love among family members,

actual lovers, friends, and one-night-stands. The Party trains and encourages children to monitor their parents for symptoms of unorthodoxy.

Summary: Chapter I .
At work one morning, Winston walks toward the men's room and notices the dark-haired girl with her arm in a sling. She falls, and when Winston helps her up, she passes him a note that reads "I love

you." Winston tries
desperately to figure
out the note's meaning.
