The calendar and mirror may say 40-something or 50, but the spirit inside says 30. Yet for many women, plastic surgery is too expensive, and most don't want to end up having that "Oscar-freeze" look. With more than fifteen years' experience, Dr. Irwin distills all her expertise to help women look their best with minimum fuss and expense. Most women have a finite list of issues they'd like to correct: undereye bags, upper lip lines, that annoying forehead crease. Akin to having a personal skin consultation, Dr. Irwin walks readers through each problem area. Whether recommending a new product, filler, or laser treatment, she arms women with practical tips they can use, including which of the latest technologies to trust (and avoid); how to look younger on a

strict time line; and how to maintain that youthful glow once you get it back!

The timeless guide to achieving the state of “relaxed concentration” that’s not only the key to peak performance in tennis but the secret to success in life itself—part of the bestselling Inner Game series, with more than one million copies sold! “Groundbreaking . . . the

best guide to getting out of your own way . . . Its profound advice applies to many other parts of life.”—Bill Gates, GatesNotes (“Five of My All-Time Favorite Books”) This phenomenally successful guide to mastering the game from the inside out has become a touchstone for hundreds of thousands of people. Billie Jean King has called the book her tennis bible; Al Gore has used it to focus his campaign staff; and Itzhak Perlman has recommended it to young violinists. Based on W. Timothy Gallwey’s profound realization that the key to success doesn’t lie in holding the racket just right, or positioning the feet perfectly, but rather in keeping the mind uncluttered, this transformative book

gives you the tools to unlock the potential that you've possessed all along. "The Inner Game" is the one played within the mind of the player, against the hurdles of self-doubt, nervousness, and lapses in concentration. Gallwey shows us how to overcome these obstacles by trusting the intuitive wisdom of our bodies and achieving a state of "relaxed concentration." With chapters devoted to trusting the self and changing habits, it is no surprise then, that Gallwey's method has had an impact far beyond the confines of the tennis court. Whether you want to play music, write a novel, get ahead at work, or simply unwind after a stressful day, Gallwey shows you

how to tap into your utmost potential. No matter your goals, The Inner Game of Tennis gives you the definitive framework for long-term success.

Mazda RX-7 Performance Handbook

In the decades after World War II, evangelical Christianity nourished America's devotion to free markets, free trade, and free enterprise. The history of Wal-Mart uncovers a complex network that united Sun Belt entrepreneurs, evangelical employees, Christian business students, overseas missionaries, and free-market activists. Through the stories of people linked by the world's largest corporation, Bethany Moreton shows how a Christian service ethos powered capitalism at home and abroad. While industrial America was built by and for the urban North, rural Southerners

comprised much of the labor, management, and consumers in the postwar service sector that raised the Sun Belt to national influence. These newcomers to the economic stage put down the plough to take up the bar-code scanner without ever passing through the assembly line. Industrial culture had been urban, modernist, sometimes radical, often Catholic and Jewish, and self-consciously international. Post-industrial culture, in contrast, spoke of Jesus with a drawl and of unions with a sneer, sang about Momma and the flag, and preached salvation in this world and the next. This extraordinary biography of Wal-Mart's world shows how a Christian pro-business movement grew from the

bottom up as well as the top down, bolstering an economic vision that sanctifies corporate globalization. The author has assigned her royalties and subsidiary earnings to Interfaith Worker Justice (www.iwj.org) and its local affiliate in Athens, GA, the Economic Justice Coalition (www.econjustice.org).
