What is the difference between
the engine bay and front end of
a 190E 2.3 and a 190E 2.6? I
know that the hood latch bar
over the radiator can detach
on the 2.6 and not the 2.3. The
reason I am asking is that I
have a 1986 190E 2.3 8v that I
am putting a newer engine into.
The engine I am putting in is a
3.0L I-6 from a 1986 300E.
