1990 Range Rover Classic Off-roader 300tdi Manual | eBay

The Range Rover was greeted enthusiastically by both press and public on its arrival in 1970, offering comfortable cruising at 90mph and a greater off-road capability than most of its customers would ever need. The fact that the original lasted in production for an amazing 24 years before being replaced in 1994 only serves to illustrate the soundness of the original concept.

The Range Rover Classic is a 4x4, mid-size Sport utility vehicle series produced from 1969 to 1996 – initially by the Rover division of British Leyland, and latterly by the Rover Group. The first generation of vehicles produced under the Range Rover name, it was built as a two-door model for its first 11 years, until a four-door also became available in 1981. The two-door version remained available until 1994, the year when the second generation was launched. At that time, Land Rover ...
