At thirty-two, Marine Vandale is still waiting for true love. The kind of love that takes your breath away, knocks you on the ground, and makes you scared and crazy all at once. "You're certainly not going to find it if you spend all your time with three guys," her mother likes to remind her. It's just that Marine, her ex Laurent, Jeff her roommate, and their best friend Julien are inseparable. Together, they're trying to navigate the troubled waters of their thirties, become real adults and tame love. But what used to seem like child's play is becoming less and less of a game, and today's mistakes are not as meaningless as the ones they made in their twenties. But each one in his or her own way continues to hope. And from date to date, from man to man, through a thousand situations she describes as "summer stock theatre," Marine persists in believing that one day she'll prove to her mother that you can't fight love.

**How to Build a Chopper** HarperCollins

This successful text puts personality back into the personality course, integrating the classic insights of the personality theorists with modern research in a manner that will fascinate and captive students. Organized around eight basic aspects of personality-psychoanalytic, ego, biological, behaviorist, cognitive, trait, humanistic, and situational/interactionist-the text both explains the classic theories and also explores how the information applies to the student reader. The text presents a balanced, critical, yet optimistic approach. Personality encourages critical thinking about human nature. While holding the highest scientific standards, the text uses unique and provocative pedagogical devices (see below) to capture students' interest and bring the field of personality to life. It has been hailed as the best-written and most relevant personality textbook in the field.

There's something in the earth deep below Elise Kavanagh's territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it's coming for Elise next. The Union has an easy way out. They

want to send Elise into hiding again with her former partner, James Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she's come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there's no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.
