Bestselling novelist (How the Garcia Girls Lost Their Accents) and children's (The Tia Lola Stories) author Julia Alvarez's new picture book is a beautifully crafted poem for children that gently addresses the emotional side of death. The book asks, "When somebody dies, where do they go? / Do they go where the wind goes when it blows? ... Do they wink back at me when I wish on a star? Do they whisper, 'You're perfect, just as you are'? ..." Illustrated by Vermont woodcut artist, Sabra Field, *Where Do They Go?* is a beautiful and comforting

meditation on death, asking questions young readers might have about what happens to those they love after they die. A Spanish-language edition of the book, ¿ Donde va a parar?, is available in paperback.

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her

life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.
