At over 900,000 cars produced - and counting - the Mazda MX-5 holds the Guinness World Record as the best-selling two-seater sports car ever produced. And while mere numbers should not be the only barometer of success, it has taken a car of the MX-5's talent to capture the imagination of both enthusiasts and the general motoring public alike. Mazda MX-5 - The Complete Story examines the design, development and production of this innovative sports car. Topics covered include: Details of the engine and drivetrain technology that gave the MX-5 its sharp handling and performance; Chronicles the stories of the engineers and designers behind the MX-5's success; Looks at the closest contemporary rivals to the car, and why the MX-5 was far and away the most successful; Covers all special editions and the racing story; Includes a detailed buyer's guide for each generation, specification tables and owner's experiences. A concise, detailed guide to this groundbreaking and innovative sports car. Superbly illustrated with 200 colour photographs. Antony Ingram is a freelance motoring writer and is passionate about classic cars and modern performance vehicles.

When the Mazda MX-5 was launched in 1989, sports car enthusiasts gave thanks. Safety regulations had virtually killed off the traditional roadster in the early 1970s, and if you wanted the wind in your hair the choice seemed limited to a four-seater convertible that looked like a baby's buggy. Hopes were pinned on the launch of a new MG - but the MX-5 got there first. The car is a star. Here is the full story, from genesis and model evolution to ownership, with all the possibilities that offers.

The neo-burlesque movement seeks to restore a sense of glamour, theatricality, and humor to striptease. Neo-burlesque performers strut their stuff in front of audiences that appreciate their playful brand of pro-sex, often gender-bending, feminism. Performance studies scholar and acclaimed burlesque artist Lynn Sally offers an inside look at the history, culture, and philosophy of New York's neo-burlesque scene. Revealing how twenty-first century neo-burlesque is in constant dialogue with the classic burlesque of the nineteenth and twentieth centuries, she considers how today's performers use camp to comment on preconceived notions of femininity. She also explores how the striptease performer directs the audience's gaze, putting on layers of meaning while taking off layers of clothing. Through detailed profiles of iconic neo-burlesque performers such as Dita Von Teese, Dirty Martini, Julie Atlas Muz, and World Famous *BOB*, this book makes the case for understanding neo-burlesque as a new sexual revolution. Yet it also examines the broader community of "Pro-Am" performers who use neo-burlesque as a liberating vehicle for self-expression. Raising important questions about what feminism looks like, Neo-Burlesque celebrates a revolutionary performing art and participatory culture whose acts have political reverberations, both onstage and off.

The Mazda Miata is one of the most popular sports cars on the road today. In production for more than 20 years, the Miata's popularity has grown, and the number of aftermarket components available to the Miata enthusiast has grown, too. This immense selection of parts has made it difficult for many would-be modifiers to choose the proper combination that will help them reach the goals they have set for their two-seaters. Author and Miata expert Keith Tanner has been modifying, repairing, building, and racing Miatas for years, and he will guide you through how to best modify your car to suit your needs, starting with an explanation on how everything works and how the various parts will interact. You'll not only learn what upgrades will help you reach your goals, but also how to adjust or modify what you have to make your car work at its best. From autocross to cross-country touring, the Miata can do it all. Keith Tanner tells you how to make it happen!
