Engineer to Win Univ of

California Press

The honest and

intellectually fierce

autobiography of one of

the most acclaimed

voices in science fiction

Time Awareness for All

Musicians Itchygooney Books

A fascinating true-crime

narrative about the first rabbi

ever accused of murder and

what the case says about the role

of clergy in America. On the evening of November 1, 1994, Rabbi Fred Neulander returned home to find his wife, Carol, facedown on the living room floor, blood everywhere. He called for help, but it was too late. Two trials and eight years later, the founder of the largest reform synagogue in southern New Jersey became the first rabbi ever convicted of murder and sentenced to life in prison.

In a gripping examination of the misuses of the pulpit and the self-delusions of power, Arthur J. Magida paints a devastating portrait of a manipulative man who used his position of trust in the temple to attract several mistresses -- and to befriend a lonely recovering alcoholic, whom he convinced to kill his wife "for the good of Israel." The Rabbi and the Hit Man straddles the juncture of faith and trust, and confronts issues of sex, narcissism, arrogance, and adultery. It is the definitive account of a charismatic

clergyman who paid the ultimate price for ignoring his own words of wisdom: "We live at any moment with our total past ... What we do will stay with us forever."

Road and Track Penguin

Don't these boys get it?

How many times must they get into trouble before they catch on? Best friends

William and Thomas are back at it again with even more action and adventure.

The poor community of Itchygooney isn't safe when William has a plan. This time there's an attack drone, a ghostly rocking chair, a slam-dunking wizard, and a UFO. Will these boys ever be stopped? Let's hope not!

Back 4 More is the fourth book in the ongoing I Told You So series of humorous stories shared in short standalone bursts. If they were any longer you

couldn't handle it!

Nested Scrolls Crown

Thinking he has found his mate for life, rock music-playing and fast-driving mage Tannim finds his dreams complicated by her dragon father, her part-human-part-fox personality, and her apparent desire to kill him.

A Santali-English

Dictionary Baen Books

"I have to be honest with you. Islam is on very thin ice with me....Through our screaming self-pity and our conspicuous silences, we Muslims are conspiring against ourselves. We're in crisis and we're dragging the rest of the world with us. If ever there was a moment for an Islamic reformation, it's now. For the love of God, what are we doing about it?" In blunt, provocative, and deeply personal terms, Irshad Manji unearths the troubling cornerstones of mainstream Islam today:

tribal insularity, deep-seated anti-Semitism, and an uncritical acceptance of the Koran as the final, and therefore superior, manifesto of God. In this open letter to Muslims and non-Muslims alike, Manji asks arresting questions. "Who is the real colonizer of Muslims - America or Arabia? Why are we all being held hostage by what's happening between the Palestinians and the Israelis? Why are we squandering the talents of women, fully half of God's creation? What's our excuse for reading the Koran literally when it's so contradictory and ambiguous? Is that a heart attack you're having? Make it fast. Because if more of us don't speak out against the imperialists within Islam, these guys will walk away with the show." Manji offers a practical vision of how the United States and its allies can help Muslims undertake a reformation

that empowers women, promotes respect for religious minorities, and fosters a competition of ideas. Her vision revives Islam's lost tradition of independent thinking. This book will inspire struggling Muslims worldwide to revisit the foundations of their faith. It will also compel non-Muslims to start posing the important questions without fear of being deemed "racists." In more ways than one, *The Trouble with Islam* is a clarion call for a fatwa-free future.

Revolting Youth

McFarland

The hilarious, take-no-prisoners novel about a cynical, sex-obsessed teenager's pining love for an intelligent girl—the basis for the major motion picture starring Michael Cera. *Youth in Revolt* is the journals of Nick Twisp, California's

most precocious diarist, whose ongoing struggles to make sense out of high school, deal with his divorced parents, and lose his virginity result in his transformation from an unassuming fourteen-year-old to a modern youth in open revolt. As his family splinters, worlds collide, and the police block all routes out of town, Nick must cope with economic deprivation, homelessness, the gulag of the public schools, a competitive type-A father, murderous canines, and an inconvenient hair trigger on his erectile response—all while vying ardently for the affections of the beauteous Sheeni Saunders, teenage goddess, and ultimate intellectual goad.

National Geographic
Books

From acclaimed sports writer and bestselling author Jeff Pearlman, a searing and insightful look into the life and career of Barry Bonds, one of the most celebrated, contradictory and controversial sports figures of our time No player in the history of baseball has left such an indelible mark on the game as Barry Bonds. In his twenty-year career, Bonds has amassed an unprecedented 7 Most Valuable Player awards, 8 Gold Gloves, and more than 700 home runs (and counting), an impressive assortment of feats that has earned him the consideration as one of the greatest players the game has ever seen.

Equally deserved, however, is his reputation as an insufferable braggart, whose mythical home runs are rivaled only by his legendary ego. From his staggering ability and fabled pedigree (father Bobby played outfield for the Giants; cousin Reggie and godfather Willie are both Hall of Famers), to his well-documented run-ins with teammates and his alleged steroid abuse, Bonds inspires a like amount of passion from both sides of the fence. For many, Bonds belongs beside Babe Ruth and Hank Aaron in baseball 's holy trinity; for others, he embodies all that is wrong with the modern athlete: aloof; arrogant; alienated. Drawing on extensive interviews with Bonds himself, members of his family, former and

current managers, teammates, opponents, trainers, outspoken critics, and unapologetic supporters alike, Pearlman reveals, for the first time, a wonderfully nuanced portrait of a prodigiously talented—and immensely flawed—American icon, whose controversial run at baseball immortality forever changed the way we look at our sports heroes.

The Constitution of India Lindhardt og Ringhof This book provides a handy study, practice and resource guide for all musicians who are seeking to improve their music-making abilities. Though written by a drummer, the text exercises and etudes in this book are not for drummers only! And while a good number of the exercises can be sung or played on any instrument, the reader is encouraged to tap these rhythms out: playing" your thighs with your hands, for example, will work just fine. The examples can be performed solo or in a small group. Includes:

- Training for all musicians
- Specific exercises for jazz phrasing, pop/funk and classical music
- Solo and duet exercises, playable on any instrument
- Rhythm etudes with 1 - 4 parts for solo and ensemble practice
- A recording with 19 tracks of listening and reference materials"

Twelve Years a Slave

I have physical scars from past surgeries, however, I have

emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

The Trouble with Islam "One of the most remarkable books of contemporary Mexican literature, The Obstacles is the story of young writers coming of age in a world dominated entirely by their own fictions. It tells, in alternating chapters, the stories of two teenagers, Ricardo and Elias, who are characters in each others' novels. Ricardo lives in Mexico City with his mother, who is mourning the recent

death of her husband.

Elias, an orphan, lives in Las Remoras, a town on the Baja Peninsula that has been invented and meticulously imagined by Ricardo. Blurring our notions of reality and fiction, Eloy Urroz takes the reader into a world where characters invent characters and challenge their creators. And the book's conclusion--in which a surprising connection between Ricardo and Elias is revealed--shows that not even fiction can be controlled in a world of such incredible unpredictability."--Publisher's website.
