Named one of the Best Books of the Year by NPR A

New York Times Book

Review Editors Choice

Selection An erudite romp through the intimate details

of life in Tudor England, "Goodman's latest...is a revelation" (New York Times Book Review). On the heels of her triumphant *How to Be a Victorian*, Ruth Goodman travels even further back in English history to the era closest to her heart, the dramatic period from the crowning of Henry VII to the death of Elizabeth I. A celebrated master of British social and domestic history, Ruth Goodman draws on her own adventures living in recreated Tudor conditions to serve as our intrepid guide to

sixteenth-century living.

Proceeding from daybreak to bedtime, this “immersive, engrossing” (Slate) work pays tribute to the lives of those who labored through the era. From using soot from candle wax as toothpaste to malting grain for homemade ale, from the gruesome sport of bear-baiting to cuckolding and cross-dressing—the madcap habits and revealing intimacies of life in the time of Shakespeare are vividly rendered for the insatiably curious.

Books in Print Supplement

Cengage Learning
The Complete Idiot's Guide to Motorcycles, Fourth Edition, is the most complete book on motorcycles, covering everything from how to choose and maintain a motorcycle and how to buy appropriate gear, to how to ride safely, and how to make the most out of trips on the open road.
