We were blessed to grow up in Roman Catholic families, and were married in the Church in 1960. Barb gave birth to six children during the next ten years. During this time, we made eight physical household moves, four of the relocations were made with newborn babies in tow! In 1974, we made the difficult decision to leave the Catholic Church, and have been actively involved in Bible Churches ever since. Who would believe our schedule? We participated in every type of volunteer service available, including: basketball and soccer coach, Girl Scout leader, Sunday school teachers, and always time for family dinners. Barb was a stay-at-home mom, and eventually achieved an Interior Design degree. I worked for one employer for almost 50 years, which included five different companies, and positions from Apprentice to Director. Now comes our together time. In 1985, Barb started to accompany me on business travel trips. We have traveled extensively: Europe, Canada, Alaska, Mexico, Caribbean, China, Russia and South Africa. Along the way, we have owned 36 automobiles, one truck and one motorcycle. Please come along for the ride of our lifetimes; we hope that you will enjoy it half as much as we have!

The photos in this edition are black and white. Skylarks, GSXs, Grand Nationals, Rivas, Gran Sports; the list of formidable performance Buicks is impressive. From the torque monsters of the 1960s to the high-flying Turbo models of the '80s, Buicks have a unique place in performance history. During the 1960s, when word of the mountains of torque supplied by the big-inch Buicks hit the street, nobody wanted to mess with them. Later, big-inch Buicks and the Hemi Chryslers went at it hammer and tongs in stock drag shootouts and in the pages of the popular musclecar magazines of the day. The wars between the Turbo

Buicks and Mustang GTs in the 1980s were also legendary, as both cars responded so well to modifications. How to Build Max-Performance Buick Engines is the first performance engine book ever published on the Buick family of engines. This book covers everything from the Nailheads of the '50s and early '60s, to the later evolutions of the Buick V-8 through the '60s and '70s, through to the turbo V-6 models of the '70s and '80s. Veteran magazine writer and Buick owner Jefferson Bryant supplies the most up-to-date information on heads, blocks, cams, rotating assemblies, interchangeability, and oiling-system improvements and modifications, along with details on the best performance options available, avenues for aftermarket support, and so much more. Finally, the Buick camp gets the information they have been waiting for, and it's all right here in How to Build Max-Performance Buick Engines.
