The staff of the Business Library of the
Brooklyn Public Library answers more than
175,000 reference questions each year, many
of them requests for rankings information. To
provide quick answers to questions in the
highest interest subject areas, we have
compiled Business Rankings Annual. Working
from a bibliographic file we have built up over
the years, we have culled thousands of items
from periodicals, newspapers, financial
services, directories, statistical annuals and
other printed material. The "top ten" from
each of these rankings appears in this volume,
grouped under standard subject headings for
easy browsing. Typical entries provide:
sequential entry number; rankings title: A
descriptive phrase, identifying the contents of
the list cited; ranked by: Indicates the criteria
that establish the hierarchy; remarks: Provides
additional details relating to the list from the
source material; number listed: Notes the
number of listees in the ranking source; top 10
items on the list; and source. Readers can
quickly locate all rankings in which a given
company; person or product appears by
consulting the reference's comprehensive
index. In addition, a complete listing of more
than 300 sources used to compile Business
Rankings Annual is provided in the
bibliography.
