1991-2000 Vehicles Edmunds Publications

Volkswagen's GTI, Golf, and Jetta are

long-time favorites among sport-compact performance enthusiasts. With engines ranging from the 2.0 liter naturally-aspirated four-cylinder to the 1.8 liter turbo 4 to the VR6, the Mk III and Mk IV generations (1993-2004) offer tuners a wealth of opportunities. This book turns these opportunities into realities, from deciding which vehicle to buy, to keeping it running in tip-top condition, to enhancing the performance and appearance of your VW. Focusing on the engine, wheels and tires, suspension, body kits, interiors, and more, each project includes straightforward instruction along with details about the necessary parts, cost, time, and skill. If you want to get the biggest bang for your VW

buck, this book is your road map. **TV Guide** Edmunds Publications From the author of the critically acclaimed *Troll*, the new novel from Johanna Sinisalo is full of her trademark style, surreal invention, and savage humor Set in Australasia, this is the story of a young Finnish couple who have embarked on the hiking trip of a lifetime, with *Heart of Darkness* as their only reading matter. Conrad's dark odyssey turns out to be a prescient choice as their trip turns into a tortuous thriller, with belongings disappearing, and they soon find themselves at the mercy of untamed nature, seemingly directed by the local kakapo—a highly intelligent parrot threatened with extinction. This is a skillful portrait of the unquenchable desire of

Westerners for the pure and the primitive, revealing the dark side of the explorer's desire—the insatiable need to control, to invade, and leave one's mark on the landscape. But what happens when nature starts to fight back?

Discover the Secrets Behind 50 of the World's Most Successful Brands What would happen if your brand were out of stock in a retail store? Would a customer wait until it becomes available, travel to another store to buy it...or purchase another brand instead? This is a brand's moment of truth. In today's overcrowded marketplace, only a select few brands truly rise above the competition. That's what *The Breakaway Brand* is about. It's about the brand that stands out, not just in its own product category, but from all other brands. It's about the brand that achieves huge results. It's about the brand that breaks away. Drawing from their experiences at Arnold Worldwide, one of the leading and most innovative

advertising agencies in the business, branding experts Francis Kelly and Barry Silverstein reveal what it takes to create a breakaway brand and how today's great brands execute breakaway campaigns, packaging, and promotion. You'll get an inside look at such phenomenally successful brands as Apple, Nike, Volkswagen, JetBlue, Starbucks, and many others, and you'll find out how you can apply their breakaway strategies in your own organization. Discover how a breakaway brand:

- Is positioned for success
- Continuously innovates
- Connects with its audience
- Establishes brand leadership
- Delivers brand truth and consistency
- Stands out with exceptional campaigns and unique packaging
- Uses the Internet for breakaway marketing

Kelly and Silverstein also take you inside the mind of the breakaway chief, revealing the level of dedication, vision, and leadership required of CEOs, COOs, and CMOs to foster breakaway brands. It isn't easy for brands to break away. But it can be done, and *The Breakaway Brand* shows you how to “Think Different,” “Just do it,” and create a truly revolutionary and sustainable brand.
