In 1998 Honda stepped up the power on the Foreman by increasing displacement to 450cc. The new more powerful Foreman was available with the standard transmission or the new (ESP) Electronic Shift Program. The ES was a revolutionary design at the time and earned the 1998 Foreman 450 ES the coveted ATV of the Year award from ATV Magazine. With the combination of the manual style transmission and the electric shift capability the Foreman did not have to sacrifice dependability or function for ...
