Don't these boys get it? How many times must they get into trouble
before they catch on? Best friends William and Thomas are back at it
again with even more action and adventure. The poor community of
Itchygooney isn't safe when William has a plan. This time there's an
attack drone, a ghostly rocking chair, a slam-dunking wizard, and a
UFO. Will these boys ever be stopped? Let's hope not! Back 4 More is
the fourth book in the ongoing I Told You So series of humorous
stories shared in short standalone bursts. If they were any longer you
couldn't handle it!

Can I Get a Light? By: Calvin Kerr Jr. Calvin Kerr Jr. is no

stranger to strength; it's something he's had to show his entire life. From family to career, he's proven his character and determination. In "Can I Get a Light?", Kerr uses both poetry and prose to explore defining experiences in the Army as well as civilian life. Throughout his book, Kerr invites the reader to have a glimpse of his past, and welcomes the opportunity to view another perspective on the world then and today. 1. THE RAIDER WHO LOVED AMERICA 2. DER LEHRER 3. JEREMIAH'S DAD 4. BROTHER, CAN I GET A LIGHT? 5. THE CRACK IN THE MIRROR IMAGE 6. THE LUCKY ONE 7. THE COON WHO SAT 8. THE OA 9. MY FRIEND, TOMMY

Network World Wayne State University Press

From the Chrysler Six of 1924 to the front-wheel-drive vehicles of the 70s and 80s to the minivan, Chrysler boasts an impressive list of technological "firsts." But even though the company has catered well to a variety of consumers, it has come to the brink of financial ruin more than once in its seventy-five-year history. How Chrysler has achieved monumental success and then managed colossal failure and sharp recovery is explained in *Riding the Roller Coaster*, a lively, unprecedented look at a major force in the American automobile industry since 1925. Charles Hyde tells the intriguing story behind Chrysler—its products, people, and performance over time—with particular focus on the company's management. He offers a lens through which the reader can view the U.S. auto industry from the perspective of the smallest of the automakers who, along with Ford and General Motors, make up the "Big Three." The book covers Walter P. Chrysler's life and automotive career before 1925, when he founded the Chrysler Corporation, to 1998, when it merged with Daimler-Benz. Chrysler made a late entrance into the industry in 1925 when it emerged from Chalmers and Maxwell, and further grew when it absorbed Dodge Brothers and American Motors Corporation. The author traces this journey, explaining the company's leadership in automotive engineering, its styling successes and failures, its changing management, and its activities from auto racing to defense production to real estate. Throughout, the colorful personalities of its leaders—including Chrysler himself and Lee Iacocca—emerge as strong forces in the company's development, imparting a risk-taking mentality that gave the company its verve.

Haynes Manuals have a new look! To ensure the continued success of one of the industry's most dynamic manual series, Haynes has color coded their covers by manufacturer and replaced the familiar cover artwork with computer-generated cutaway photography. By Summer 2000, 80 percent of Haynes manuals will have the colorful new design. Inside, enthusiasts will find the same reliable information -- whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes Manual for just above every popular domestic and import car, truck, and motorcycle. Hundreds of illustrations and step-by-step instructions make each repair easy to follow.
