**The Unofficial Guide to Buying or Leasing a Car**  
Haynes Manuals N.

America, Incorporated  
On September 20, 1998, Jose Vigoa, a child of Fidel Castro’s revolution, launched what would be the most audacious and ruthless series of high-profile casino and armored car robberies that Las Vegas had ever seen. In a brazen sixteen-month reign of terror, he and his crew would hit the crème de la crème of Vegas

and the Bellagio. The robberies were well planned and executed, and the police—“the stupids,” as Vigoa contemptuously referred to them—were all but helpless to stop them. But Lt. John Alamshaw, the twenty-three-year veteran in charge of robbery detectives, was not giving up so easily. For him, Vigoa’s rampage was a personal affront. And he would do whatever it took, even risk his badge, to bring Vigoa down.
