**Chilton's Auto Repair
Manual** Dundurn

Why did Life Magazine
dub her "the most
hated woman in
America"? Did she
unravel the moral
fiber of America or
defend the
Constitution? They
found her heaped in a
shallow grave, sawed
up, and burned. Thus
ended Madalyn Murray
O'Hair, the

articulate "atheist
bitch" whose 1963
U.S. Supreme Court
case ended school
prayer. Her Christian-baiting lawsuits
spanned three more
decades; she was on
TV all over the
country, foul-
mouthed, witty, and
passionate, launching
today's culture wars
over same-sex
marriage and faith-
based initiatives.
She was a man-hater
who loved sex, a
bully whose heart
broke for the
downtrodden. She was
accused of
schizophrenia,
alcoholism, and
embezzlement, but
never cowardice or
sloth. She was an
ideologue who spewed
toxic rage even at
the followers who

made her a
millionaire. She was
a doting mother who
accosted people to
ask them to be sexual
partners for her
lonely children, and
whose cannibalistic
love led her children
to their grave. She
thrived on her fame,
but just as the
curtain of obscurity
began to lower, the
family vanished in
one of the strangest
of America's true
crimes. This is the
real story of "the
most hated woman in
America," by the only
author to interview
the killer and those
close to him and to
witness the family's
secret burial in
Austin, Texas. From
the First Chapter The
sky was gray and
drizzling, but it had

stopped at the funeral home by quarter to nine. Billy Murray hadn't spoken to his three family members for more than twenty years, but he wanted to give them a decent burial. Bill was an ordained minister, but he didn't pray over the charred, sawed-up remains. "Baptists don't pray for the dead," he said. "They either accept Christ before they died or they didn't." He had his mother cremated in accordance with her oft-expressed wish. Her urn sat at the head of the burial vault, as was appropriate, for she had ruled the other two with an iron hand. She was Madalyn Murray O'Hair, 76, founder of American Atheists, and the Most Hated Woman in America—a sobriquet she relished. The other two were his half-brother, Jon Garth Murray, 40, and his daughter, Robin Murray-O'Hair, 30. It had taken five years to find them and bring them to the cemetery for the

service, which was kept secret from the public. It was their second burial. Jerry Carruth, the prosecutor who had searched for the family for nearly four years, had watched them being excavated from their shallow mass grave on a South Texas ranch some months before. He was watching the shoveling, looking for the hip replacement joint Madalyn had gotten in 1988. When they found that, he'd know he'd found Madalyn. "There it was," he said, "shining in the sun like a trailer hitch.">

Decisions and Orders of the National Labor Relations Board Plunkett Research

No other guide covers the complete retail picture like this exciting new volume. America's retail industry is in the midst of vast changes - superstores and giant discounters are popping up on major corners while traditional smaller stores are struggling. Malls are lagging while "power centers" are surging ahead. Who are the

hottest retailers? What lies ahead? Our market research section shows you the trends and a thorough analysis of careers, suppliers, chain stores, shopping centers, mergers, finances and future growth within the industry. Included are 13 major statistical tables showing everything from monthly U.S. retail sales, by sector, to mall sales per square foot, to the 10 largest malls in the US. Meanwhile, the corporate profiles section covering Plunkett's Retail 400 Firms gives you complete profiles of the leading, fastest growing retail chains across the nation. From Wal-Mart and Costco to Barnes & Noble and Amazon, we profile the major companies that marketing executives, investors and job seekers most want to know about. These profiles include corporate name, address, phone, fax, web site, growth plans, competitive advantage, financial histories and up to 24 executive contacts by title. Purchasers of the printed book or PDF version may receive a free CD-ROM database of the corporate profiles, enabling export of
