Cisco ASA, PIX, and FWSM Firewall Handbook, Second Edition, is a guide for the most commonly implemented features of the popular Cisco® firewall security solutions. Fully updated to cover the latest firewall releases, this book helps you to quickly and easily configure, integrate, and manage the entire suite of Cisco firewall products, including ASA, PIX®, and the Catalyst® Firewall Services Module (FWSM).

Organized by families of features, this book helps you get up to speed quickly and efficiently on topics such as file management, building connectivity, controlling access, firewall management, increasing availability with failover, load balancing, logging, and verifying operation. Sections are marked by shaded tabs for quick reference, and information on each feature is presented in a concise format, with background, configuration, and example components. Whether you are looking for an introduction to the latest ASA, PIX, and FWSM

devices or a complete reference for making the most out of your Cisco firewall deployments, Cisco ASA, PIX, and FWSM Firewall Handbook, Second Edition, helps you achieve maximum protection of your network resources. " Many books on network security and firewalls settle for a discussion focused primarily on concepts and theory. This book, however, goes well beyond these topics. It covers in tremendous detail the information every network and security administrator needs to know when configuring and managing market-leading firewall products from Cisco. " —Jason Nolet, Vice President of Engineering, Security Technology Group, Cisco David Hucaby, CCIE® No. 4594, is a lead network engineer for the University of Kentucky, where he works with health-care networks based on the Cisco Catalyst, ASA, FWSM, and VPN product lines. He was one of the beta reviewers of the ASA 8.0 operating system software. Learn about the various firewall models, user interfaces, feature sets, and configuration methods Understand how a Cisco firewall inspects traffic Configure firewall interfaces, routing, IP addressing services, and IP multicast support Maintain security contexts and flash and configuration files, manage users, and monitor firewalls with SNMP Authenticate, authorize, and maintain accounting records for firewall users Control access through the firewall by implementing transparent and routed firewall modes, address translation, and traffic shunning Define security policies that identify and act on various types of traffic with the Modular Policy Framework Increase firewall availability with firewall failover operation Understand how firewall load balancing works Generate firewall activity logs and learn how to analyze the contents of the log Verify firewall operation and connectivity and observe data passing through a firewall Configure Security Services Modules, such as the Content Security Control (CSC) module and the Advanced Inspection Processor (AIP) module This security book is part of the Cisco Press® Networking Technology Series. Security titles from Cisco Press help networking professionals secure critical data and resources, prevent and mitigate network attacks, and build end-to-end self-defending networks. "Your talent determines what you can do. Your motivation determines how much you are willing to do. Your attitude determines how well you do it." -- Lou Holtz Meet Lou Holtz, the motivational miracle worker who revitalized the Notre Dame football program by leading the legendary Fighting Irish to nine bowl games and a national championship. During his twenty-seven years as a head football coach, Holtz garnered a 216-95-7 career record. Each new assignment brought a different team with different players, but, invariably, the same result--success. How did he do it? By designing a game plan for his players that minimized obstacles while maximizing opportunities. Now he wants to pass his game plan on to you. In Winning Every Day, you'll discover ten strategies that will drive you to the top of your professional and personal life. Coach Holtz will reveal how you can acquire the focus and commitment it takes to be a champion. It won't be easy; it takes sacrifice to be the best. But now you'll have a proven winner alongside you in the trenches. Winning Every Day demonstrates how you can elevate your performance while raising the standards of everyone around you. Follow Coach's strategies and winning becomes habitual. You will learn to welcome sacrifice as you dedicate yourself to excellence. He will show you how to clearly define your short-term and long-term goals, to develop an unwavering sense of purpose without compromising flexibility. Through it all, Coach Holtz will help you discover the courage you need to live a life of unrelenting triumph. You couldn't have a better guide. He will provide you with the strategies he has shared with Fortune 500 companies, groups, and organizations. Voted the top motivational speaker two years running by a survey of speakers' bureaus, Coach is going to present you with all the Xs and Os, the basics of his game plan for success in life and business.
