The second- and third-generation Acura TL were four-door sedans derived from the sixth- and seventh-generation Honda Accord. The second-generation car was built from 1998-2003 and was offered with a five-speed Sportshift automatic transmission that became notorious for suffering failures. The third-gen car was built from 2004-2008, and had no such issue. It was also the first car in the US ...
