1999 AM General Hummer -

CarGurus

The Hummer H1 is a four-

wheel-drive utility vehicle

based on the M998 Humvee,

which was created by AM

General. The vehicle was

produced from 1992 through

2006, and was the first of what

became the Hummer line.

Originally designed strictly for

military use, the off-road

vehicle was released to the

civilian market due to market

demand. It was initially

known as the "Hummer";

however, under a 1999 deal,

GM bought marketing rights

to the Hummer name and

called the vehicle the

Hummer H1. At the time,
