I know Hondas better than just about anything, so they get their own section here. As for fluid, I know that the Honda manual says you can use 5W30 or 10W30 motor oil in their transmissions. I do not recommend this. In fact, I recommend that you only use Honda fluid in your Honda manual transmission.

Manual Transmission Parts for 1999 Honda Civic for sale | eBay

Honda has long built nearly all of its own automobile transmissions, unlike many other automobile manufacturers which often source transmissions from external sources. The most notable exception was in 2014, when Honda decided to forego an in-house designed transmission and chose the ZF 9HP transmission for their Acura TLX V6 model, later extending the offering of the ZF transmission to the ...
