As a foreign correspondent, Scott Peterson witnessed firsthand Somalia's descent into war and its battle against US troops, the spiritual degeneration of Sudan's Holy War, and one of the most horrific events of the last half century: the genocide in Rwanda. In *Me Against My Brother*, he brings these events together for the first time to record a collapse that has had an impact far beyond African borders. In Somalia, Peterson tells of harrowing experiences of clan conflict, guns and starvation. He met with warlords, observed death intimately and nearly lost his own life to a Somali mob. From ground level, he documents how the US-UN relief mission devolved into all out war - one that for America has proven to be the most formative post-Cold War debacle. In Sudan, he journeys where few correspondents have ever been, on both sides of that religious front line, to find that outside "relief" has only prolonged war. In Rwanda, his first-person experience of the genocide and well-documented analysis provide rare insight into this human tragedy. Filled with the dust, sweat and powerful detail of real-life, *Me Against My Brother* graphically illustrates how preventive action and a better understanding of Africa - especially by the US - could have averted much suffering. Also includes a 16-page color insert.

Haynes Isuzu Rodeo, Amigo & Honda Passport, 1989 thru 2002 Haynes Manuals N. America, Incorporated

'Blown to Bits' is about how the digital explosion is changing everything. The text explains the technology, why it creates so many surprises and why things often don't work the way we expect them to. It is also about things the information explosion is destroying: old assumptions about who is really in control of our lives.

[Trooper, Trooper II Workshop Manual](#) Chilton Book Company

Covers all models of Amigo, Hombre, Pick-Ups, Rodeo and Trooper, 2 and 4 wheel drive, gasoline and diesel engines.

Blown to Bits Haynes Publishing

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information. Covers Chevy S-10 and GMC Sonoma pickups (1994-2004), Blazer and Jimmy (1995-2004), GMC Envoy (1998-2001), and Oldsmobile Bravada & Isuzu Hombre (1996-2001).
