Consumers Digest Independently Published

The Skyway Men have ruled the underworld of the skylands for centuries--killing, stealing and doing whatever it takes of increase their wealth and power. Pistols, money and fear are their weapons of choice. After a decade exiled to a small piece of farmland that flies the quietest windlanes, Kade is thrust back into the world of death, corruption, shady deals and dirty deeds. But it's just like old times. He doesn't know who to trust. He doesn't know who's on which side. He doesn't even know which side he's on any more. All Kade knows for sure is that murder and mayhem aren't what they used to be.

Drawing on a wealth of knowledge and experience and a background of more than 1,000 magazine articles on the subject, engine control expert Jeff Hartman explains everything from the basics of engine management to the building of complicated project cars. Hartman has substantially updated the material from his 1993 MBI book Fuel Injection (0-879387-43-2) to address the incredible developments in automotive fuel injection technology from the past decade, including the multitude of import cars that are the subject of so much hot rodding today. Hartman's text is extremely detailed and logically arranged to help readers better understand this complex topic.

Featuring essays by world-renowned scholars, *Diasporas* charts the various ways in which global population movements and associated social, political and cultural issues have been seen through the lens of diaspora. Wide-ranging and interdisciplinary, this collection considers critical concepts shaping the field, such as migration, ethnicity, post-colonialism and cosmopolitanism. It also examines key intersecting agendas and themes, including political economy, security, race, gender, and material and

---

electronic culture. Original case studies of contemporary as well as classical diasporas are featured, mapping new directions in research and testing the usefulness of diaspora for analyzing the complexity of transnational lives today. Diasporas is an essential text for anyone studying, working or interested in this increasingly vital subject.
